One word could describe the lives of men—and that word is “challenge.”

The first challenges were walking for the first time and learning to tie your own shoelaces and riding a bike without training wheels.

Then came the challenge of playing baseball so well all the fellows wanted you on their team or setting the table so Mama didn't have to reset it.

Next came the challenge of having more expected of you. You were supposed to make good grades and do things without being told.

Then there was the immense challenge of being able to say just the right thing when you asked her for a date or being charming and beautiful when he came by to take you to the game.

There will be challenges yet to come that are even greater; we are told.

How we meet these challenges will be our lives' stories.

THE LAIR looks to the challenges faced here at Belton High School from September, 1969, to May, 1970.

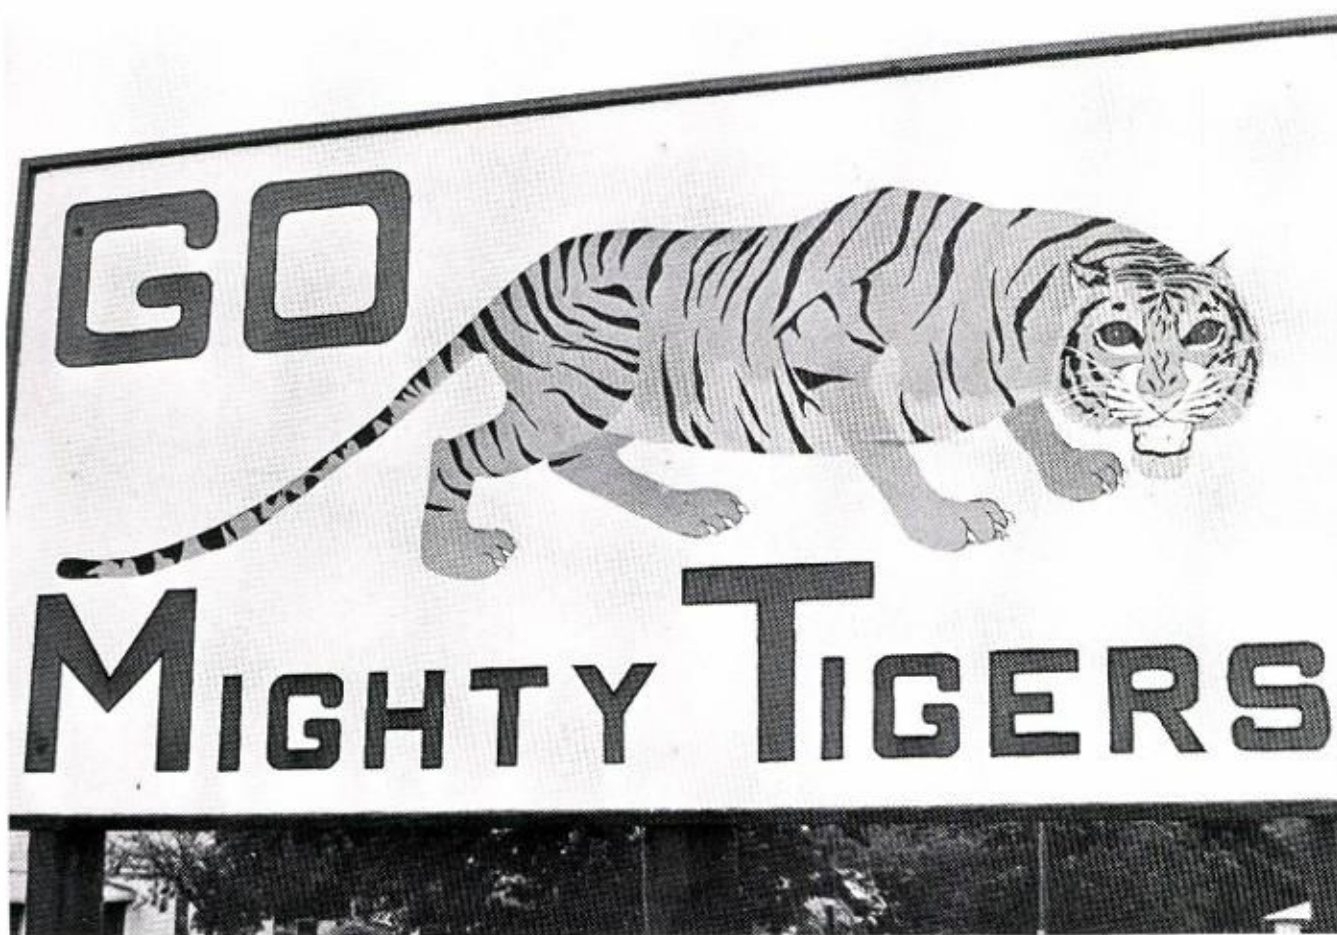

STUDENTS MEET CHALLENGES

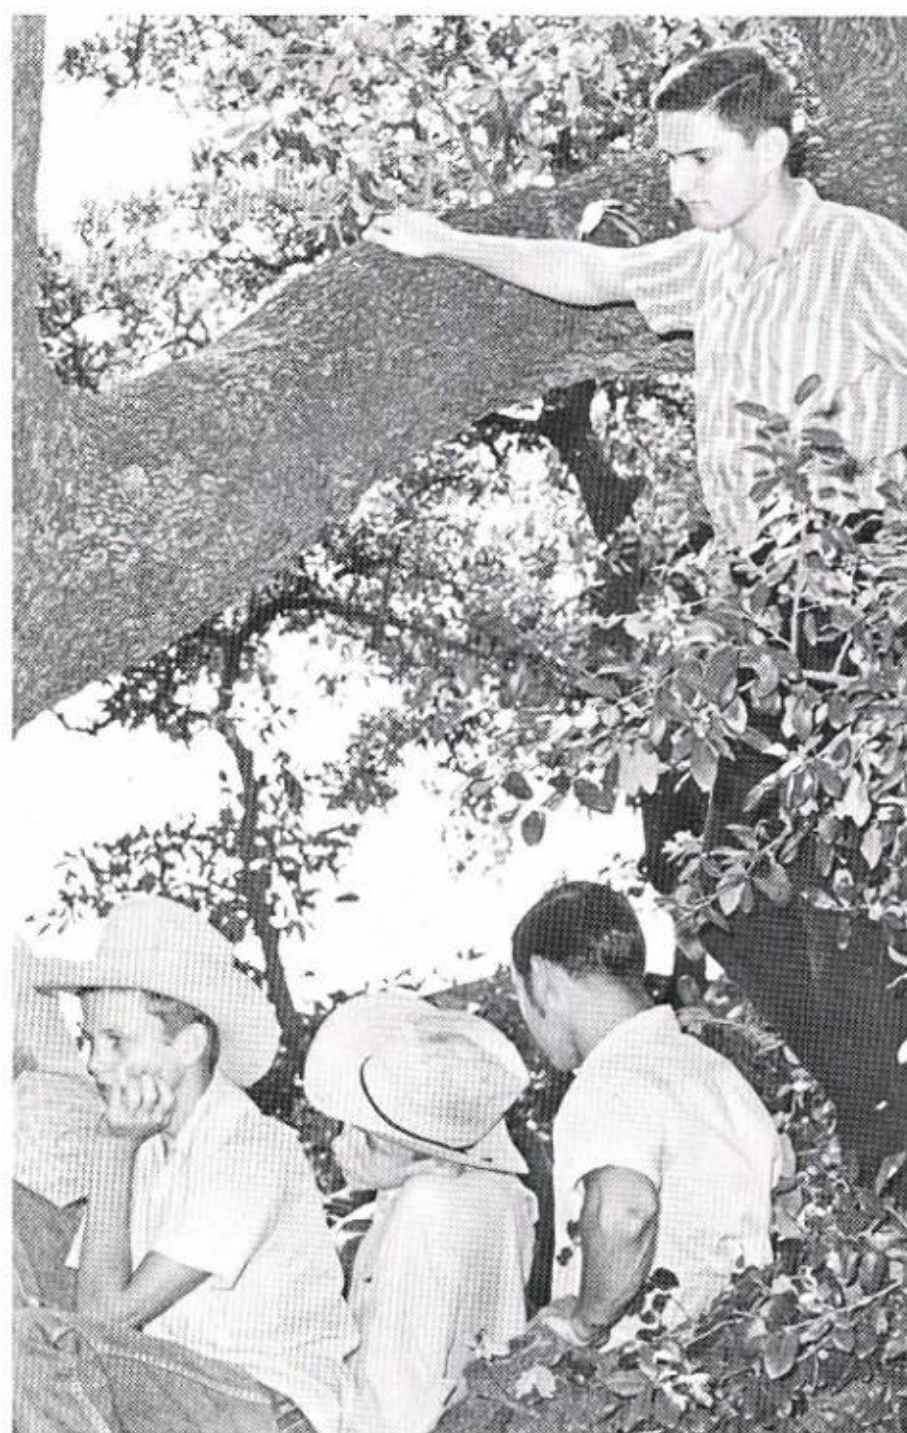

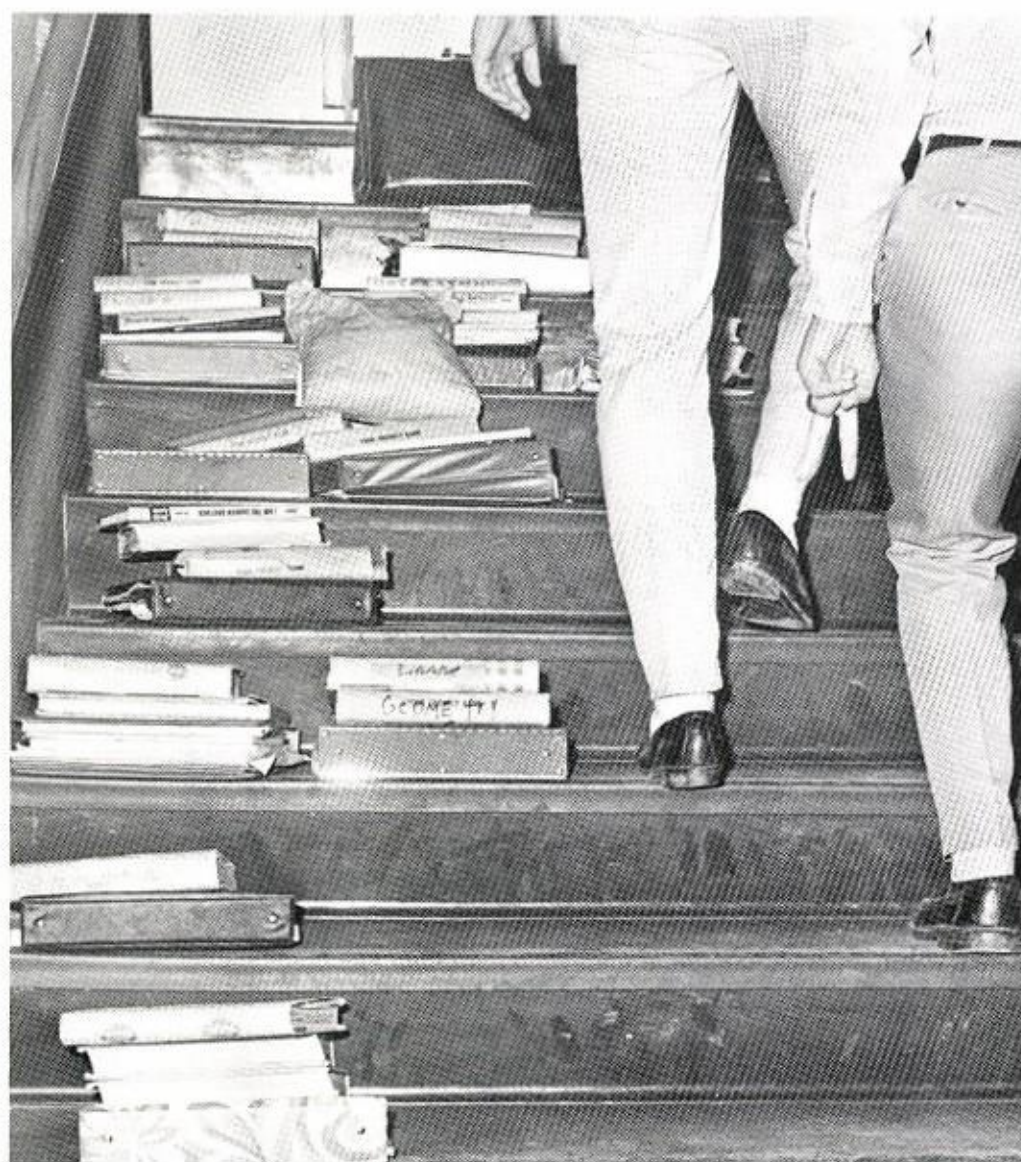

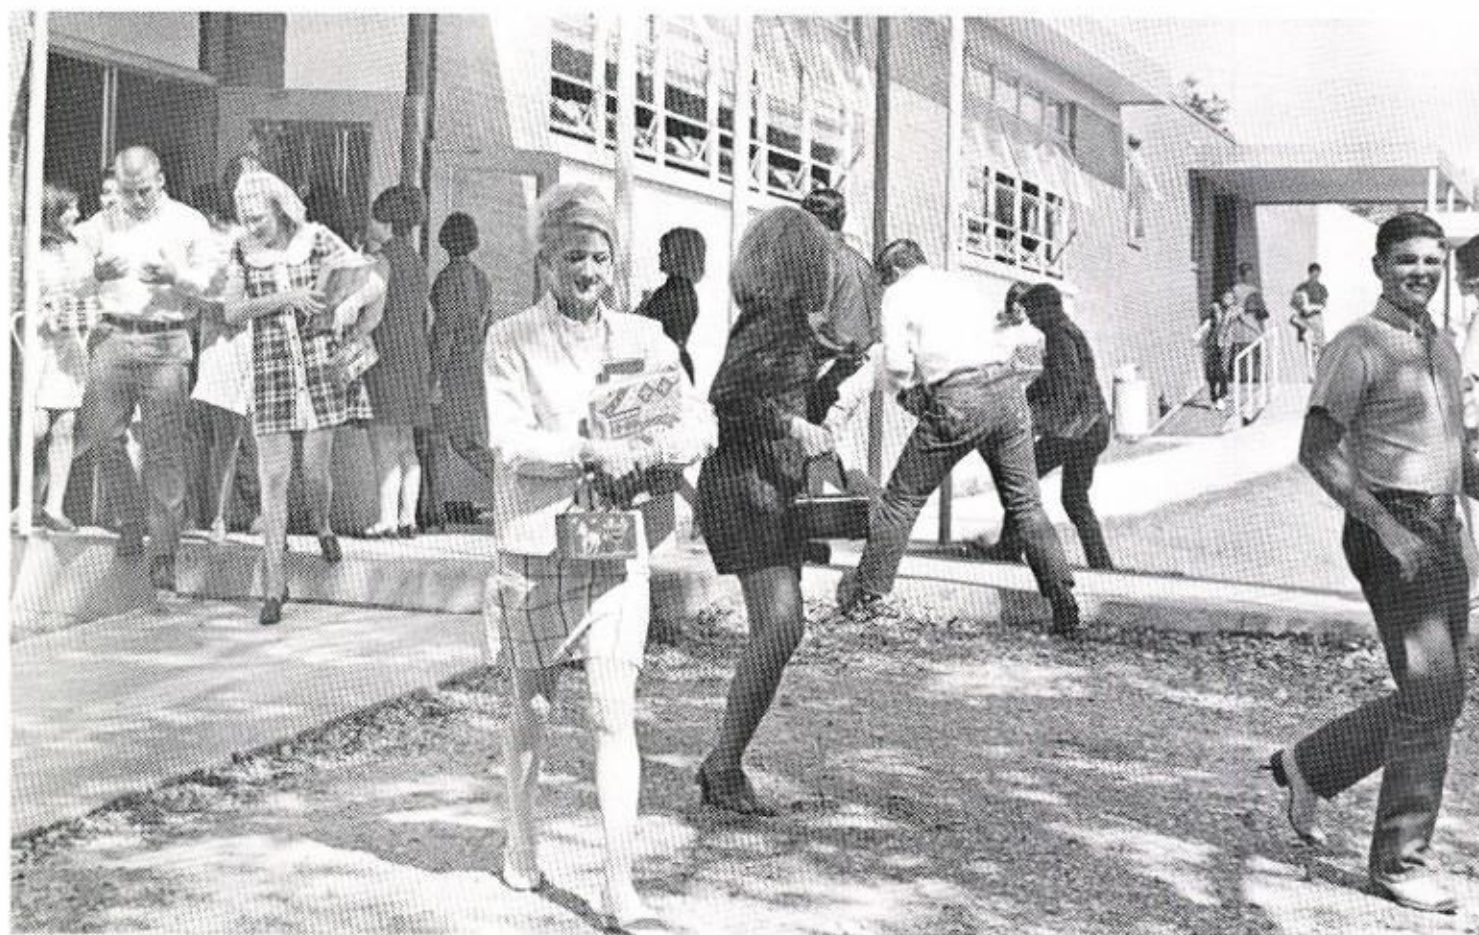

OF SERVICE TO SCHOOL

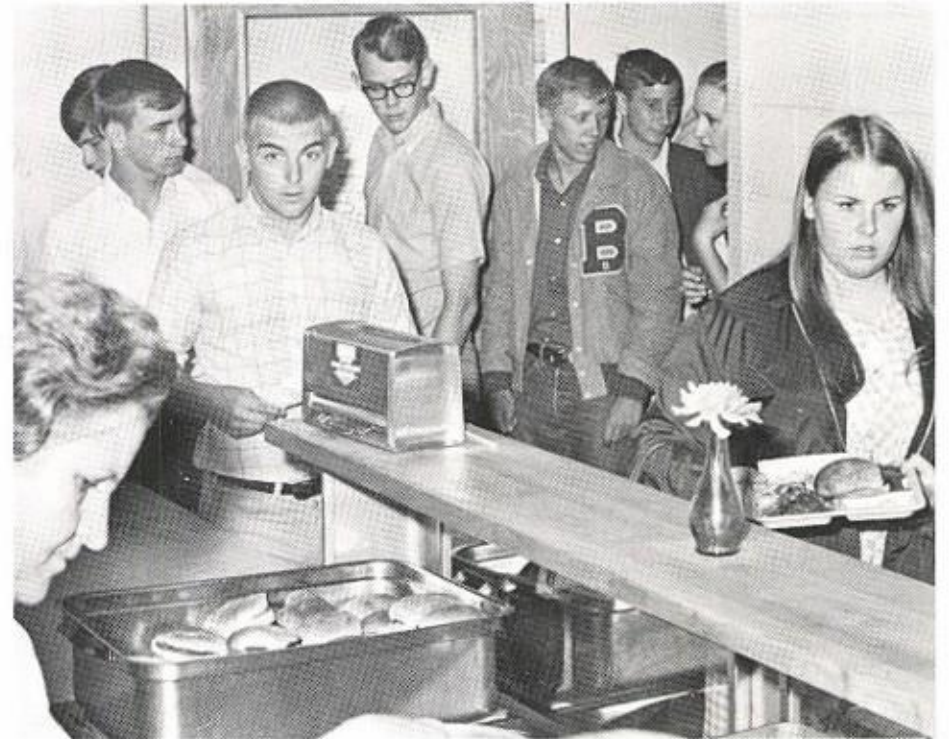

B.H.S. was kept busily entertained and occupied in the various projects undertaken by many organizations. Some were concerned with service such as Student Teacher Day of the National Honor Society which gave a relief to the faculty and an experience in teaching to its members. Others such as the contributions of the Student Council proved to be beneficial to the outlook of Belton High such as their painting of the Big Red Tiger sign to generate spirit and the painting of the sports-minded Tigers on the trash cans and the Tigers paws on the benches which added a sparkle to the hueless surroundings. All of these projects signify the diligence and cooperations of the students involved and their acceptance of the challenge for the improvement of B.H.S.

DAILY CHALLENGE

OF A STUDENT

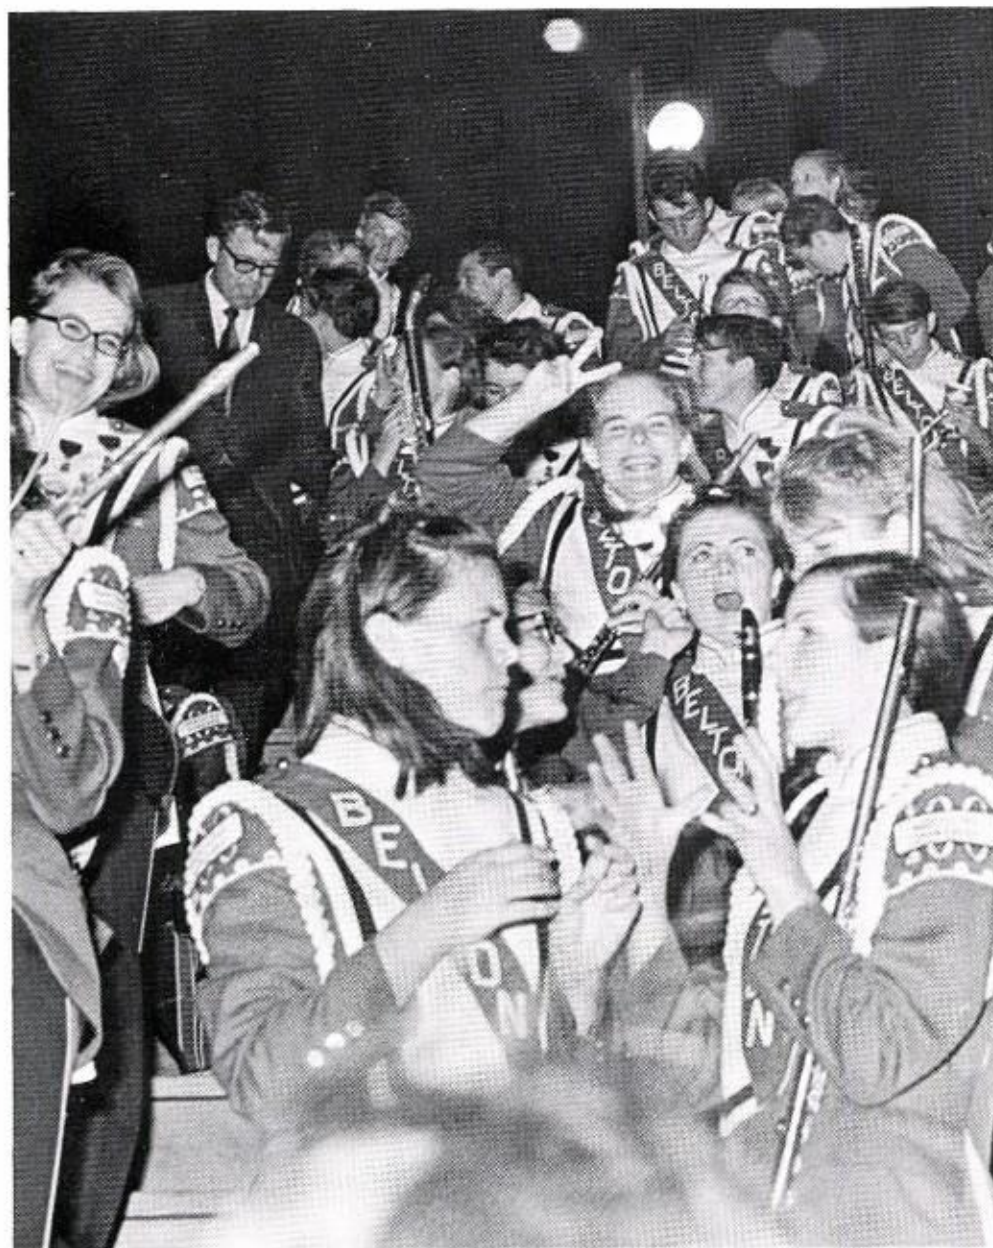

FACETS OF MUSIC OFFER

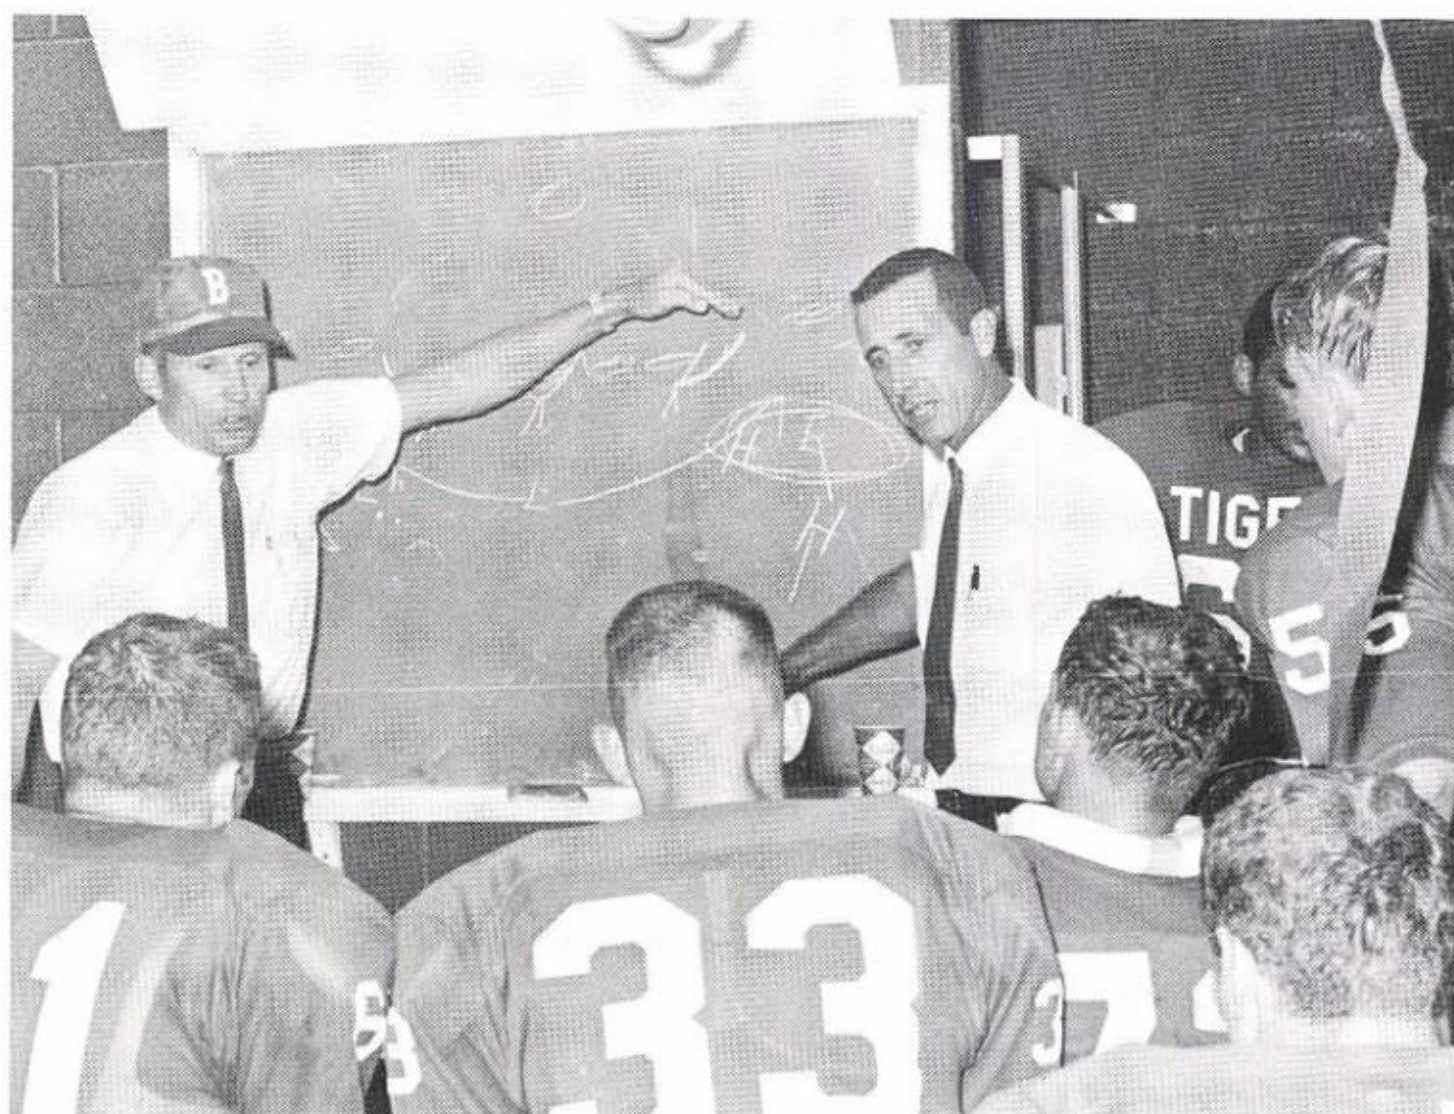

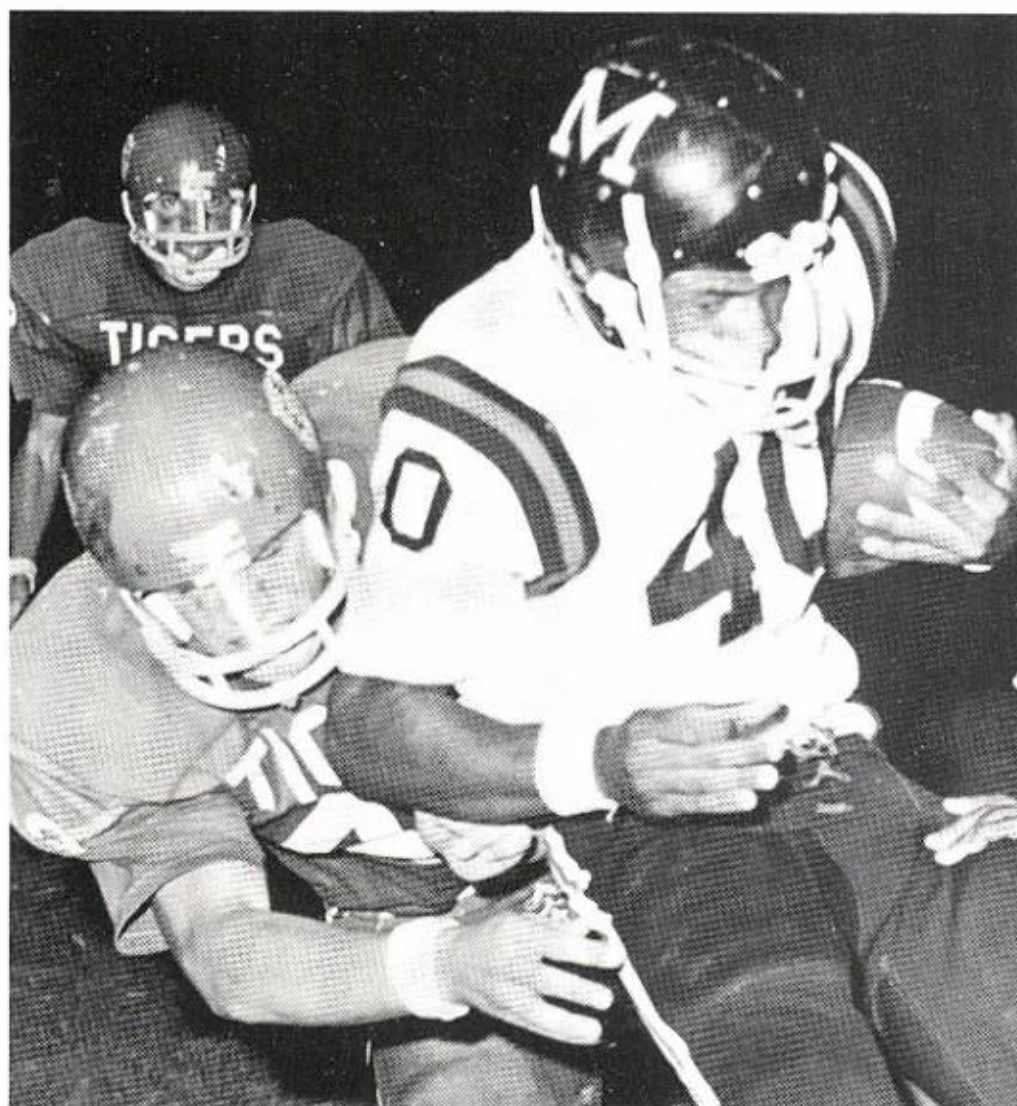

Music is like a many sided prism catching one light and sending it out in multicolored rays. Perhaps a scientist could explain to us why golden sun light can be transformed by the magic of the prism, but most of us simply accept the miracle of the prism for its beauty. Music is like a prism because it takes the simplicity of the human desire and shines it through the prism of talent and imagination sending out beautiful rays of music, whether it be the shrill notes of a flute floating above all other sounds of the band, or the hours of almost fanatical devotion to learning intricate marching drills, or not studying for that big English test because of the operetta rehearsal tonight. The many facets of music offer a challenge and Belton High School meets this challenge and sends out brightly shining rays of music.

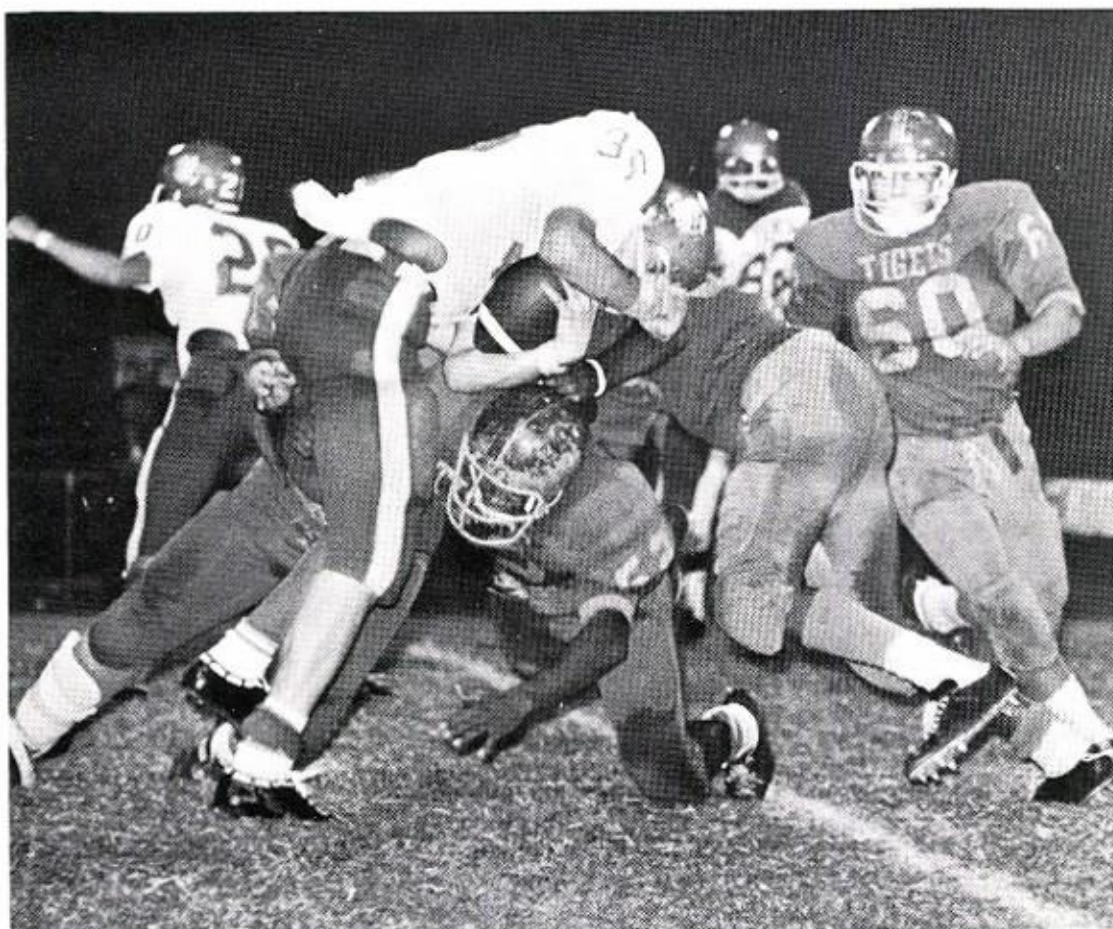

CHALLENGE TO BHS STUDENTS

THE CHALLENGE OF

COMPETITIVE ATHLETICS

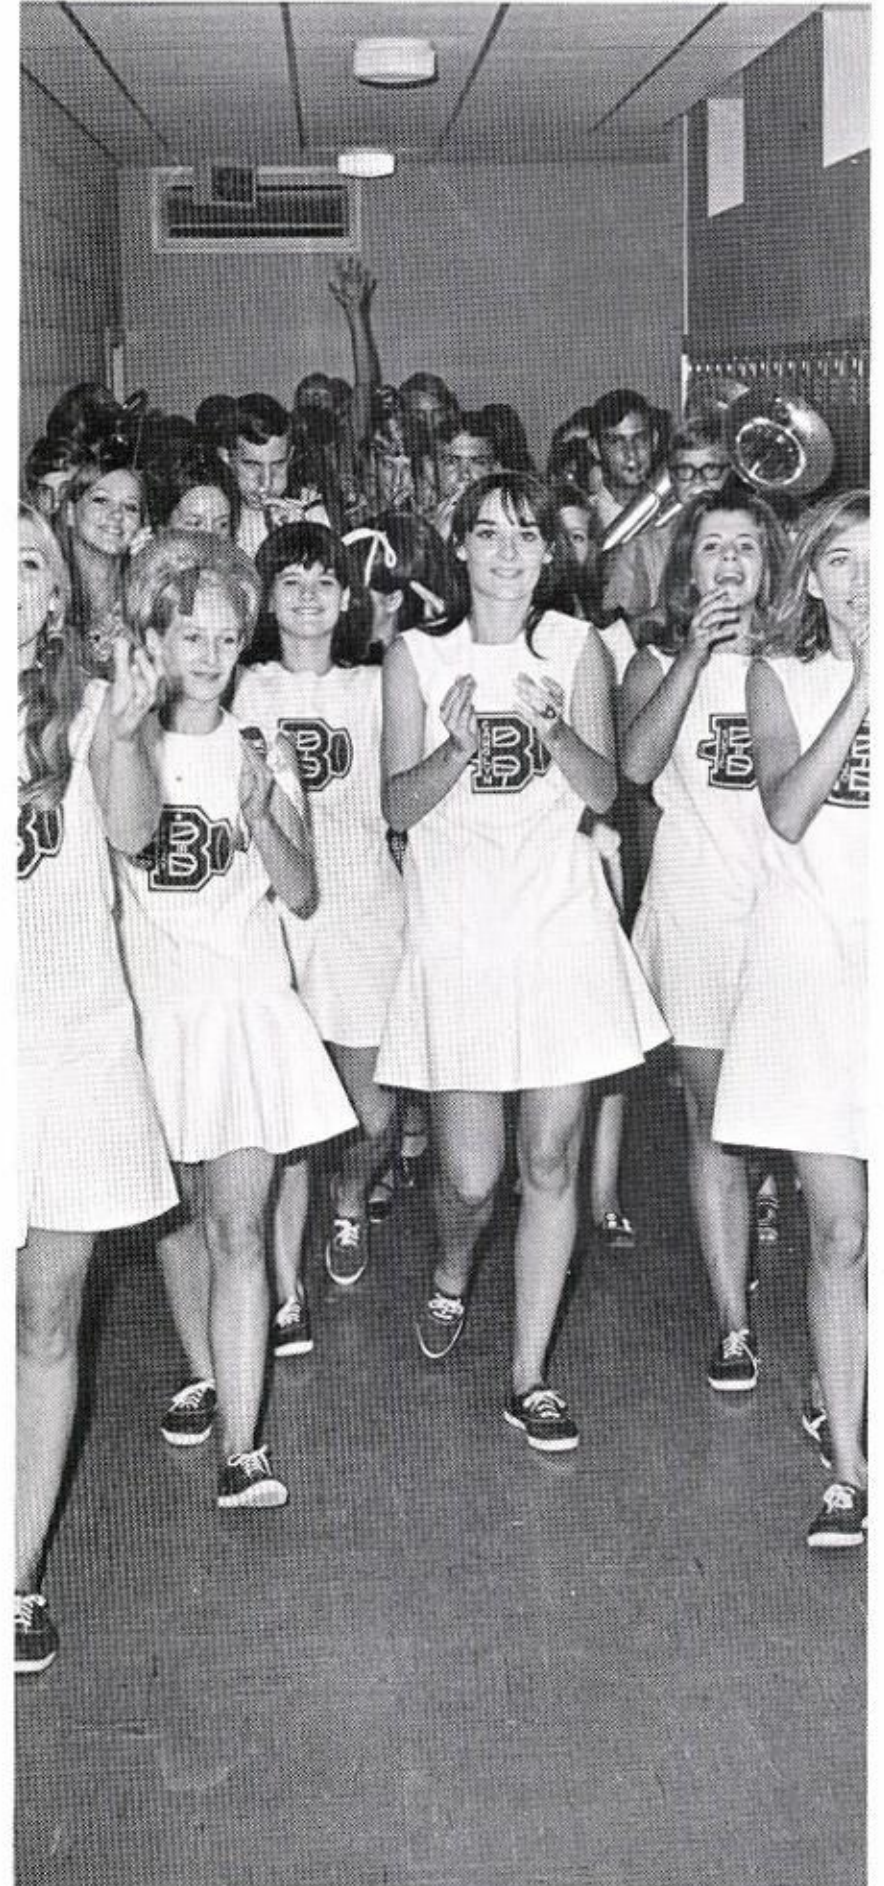

As in any other field of endeavor, the competition in sports was tough; nevertheless the pride and determination of the players in each sport helped in their accepting the challenge and their having a victorious season.

Eluding that would-be tackler for the first touchdown of the season, rushing the opponent quarterback, struggling for every inch, and the blocking line's opening the necessary gap for the alert halfback to sprint through to paydirt all exemplify that the Big Red Tigers met their challenge in football.

CHALLENGE OF SPIRIT

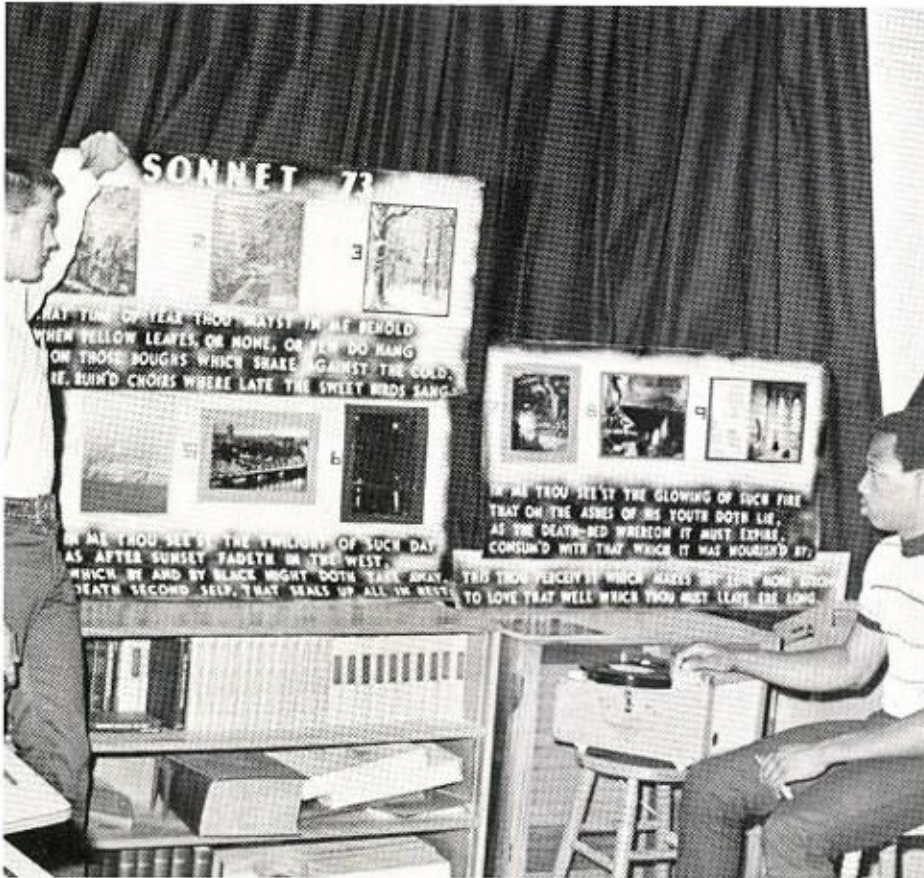

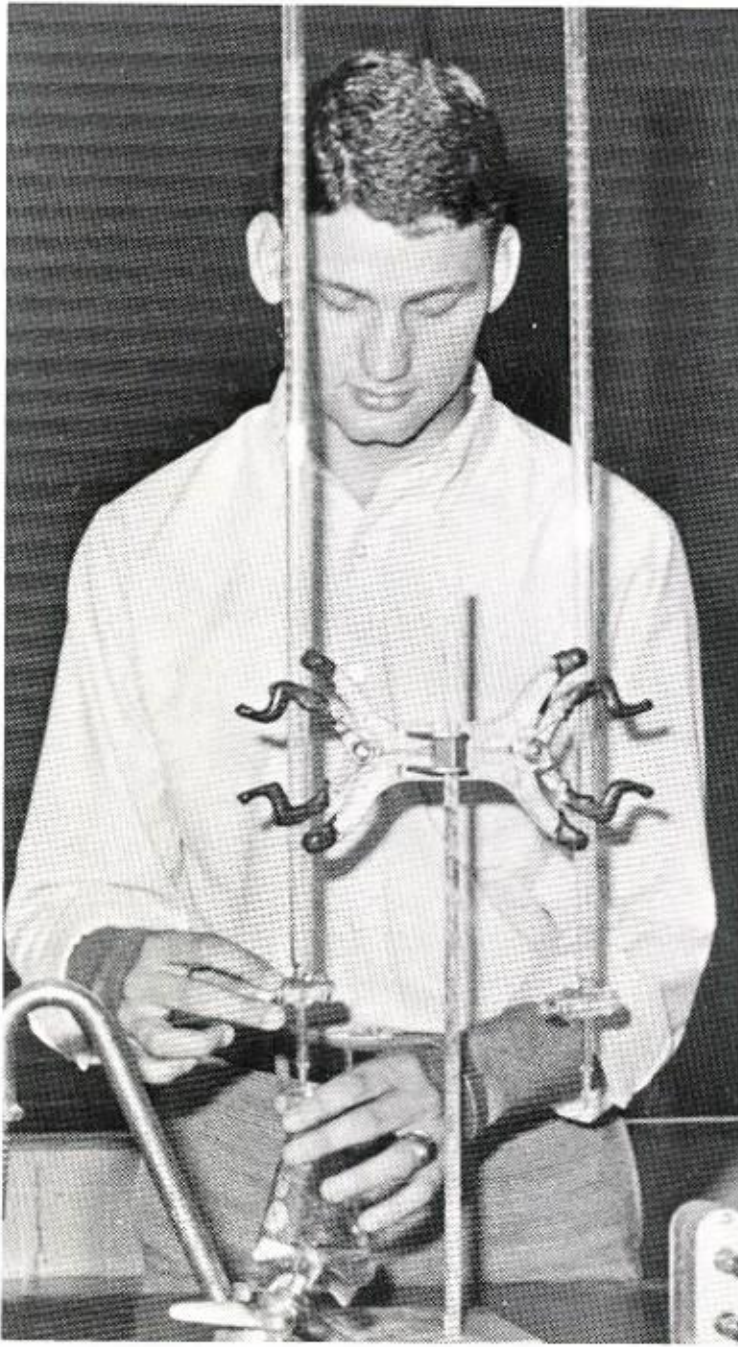

Spirit is a state of mind. It possesses your whole existence and carries your soul to heights of ecstasy and joy when victory is yours and despair and sorrow when defeat comes. Spirit can bring out the best of a student body . . . Here at Belton High School the students have met the challenge of spirit and found a deep and meaningful pride in their school.

GENERATES SCHOOL PRIDE

CHALLENGING INNOVATIONS

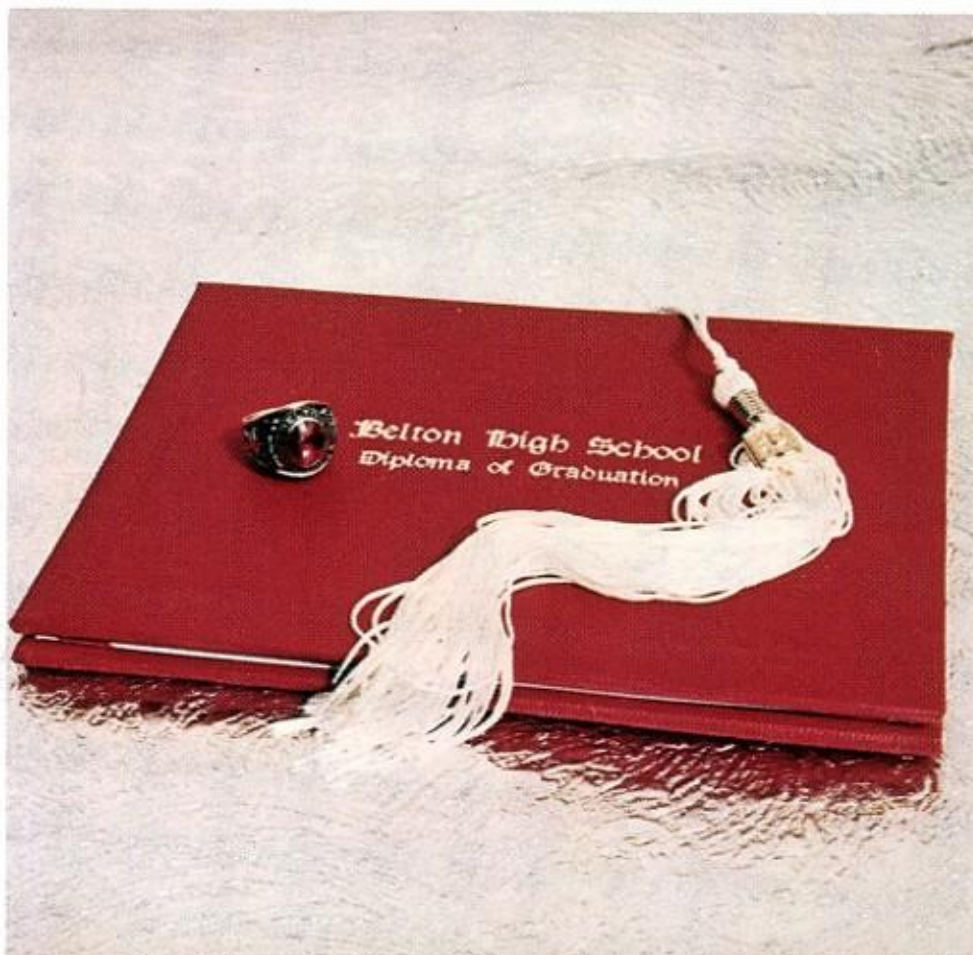

IN TEACHING TECHNIQUES

Every school day students are faced with challenges in the classroom—challenges of doing well on a test, of participating intelligently in a class discussion, and of understanding new knowledge. The teachers are also faced with a challenge of capturing and holding the attention of the students, of presenting instruction in new and interesting ways, and of reaching the desire of a student to want to learn and understand. Added to this daily challenge are the new methods and concepts of education which are a part of the changing times of today. The faculty and students have met the challenges of today's education and look forward to the even greater challenges of tomorrow.

CHALLENGE OF UPHOLDING TRADITIONS

Traditions are never upheld with ease in any era. In these days of rapid change a tradition becomes even harder to maintain. The student body has risen to the challenge of upholding the traditions that make a being a student at Belton High School a truly unforgettable experience.

FAVORITES

MR. B.H.S.

BOBBY WILSON

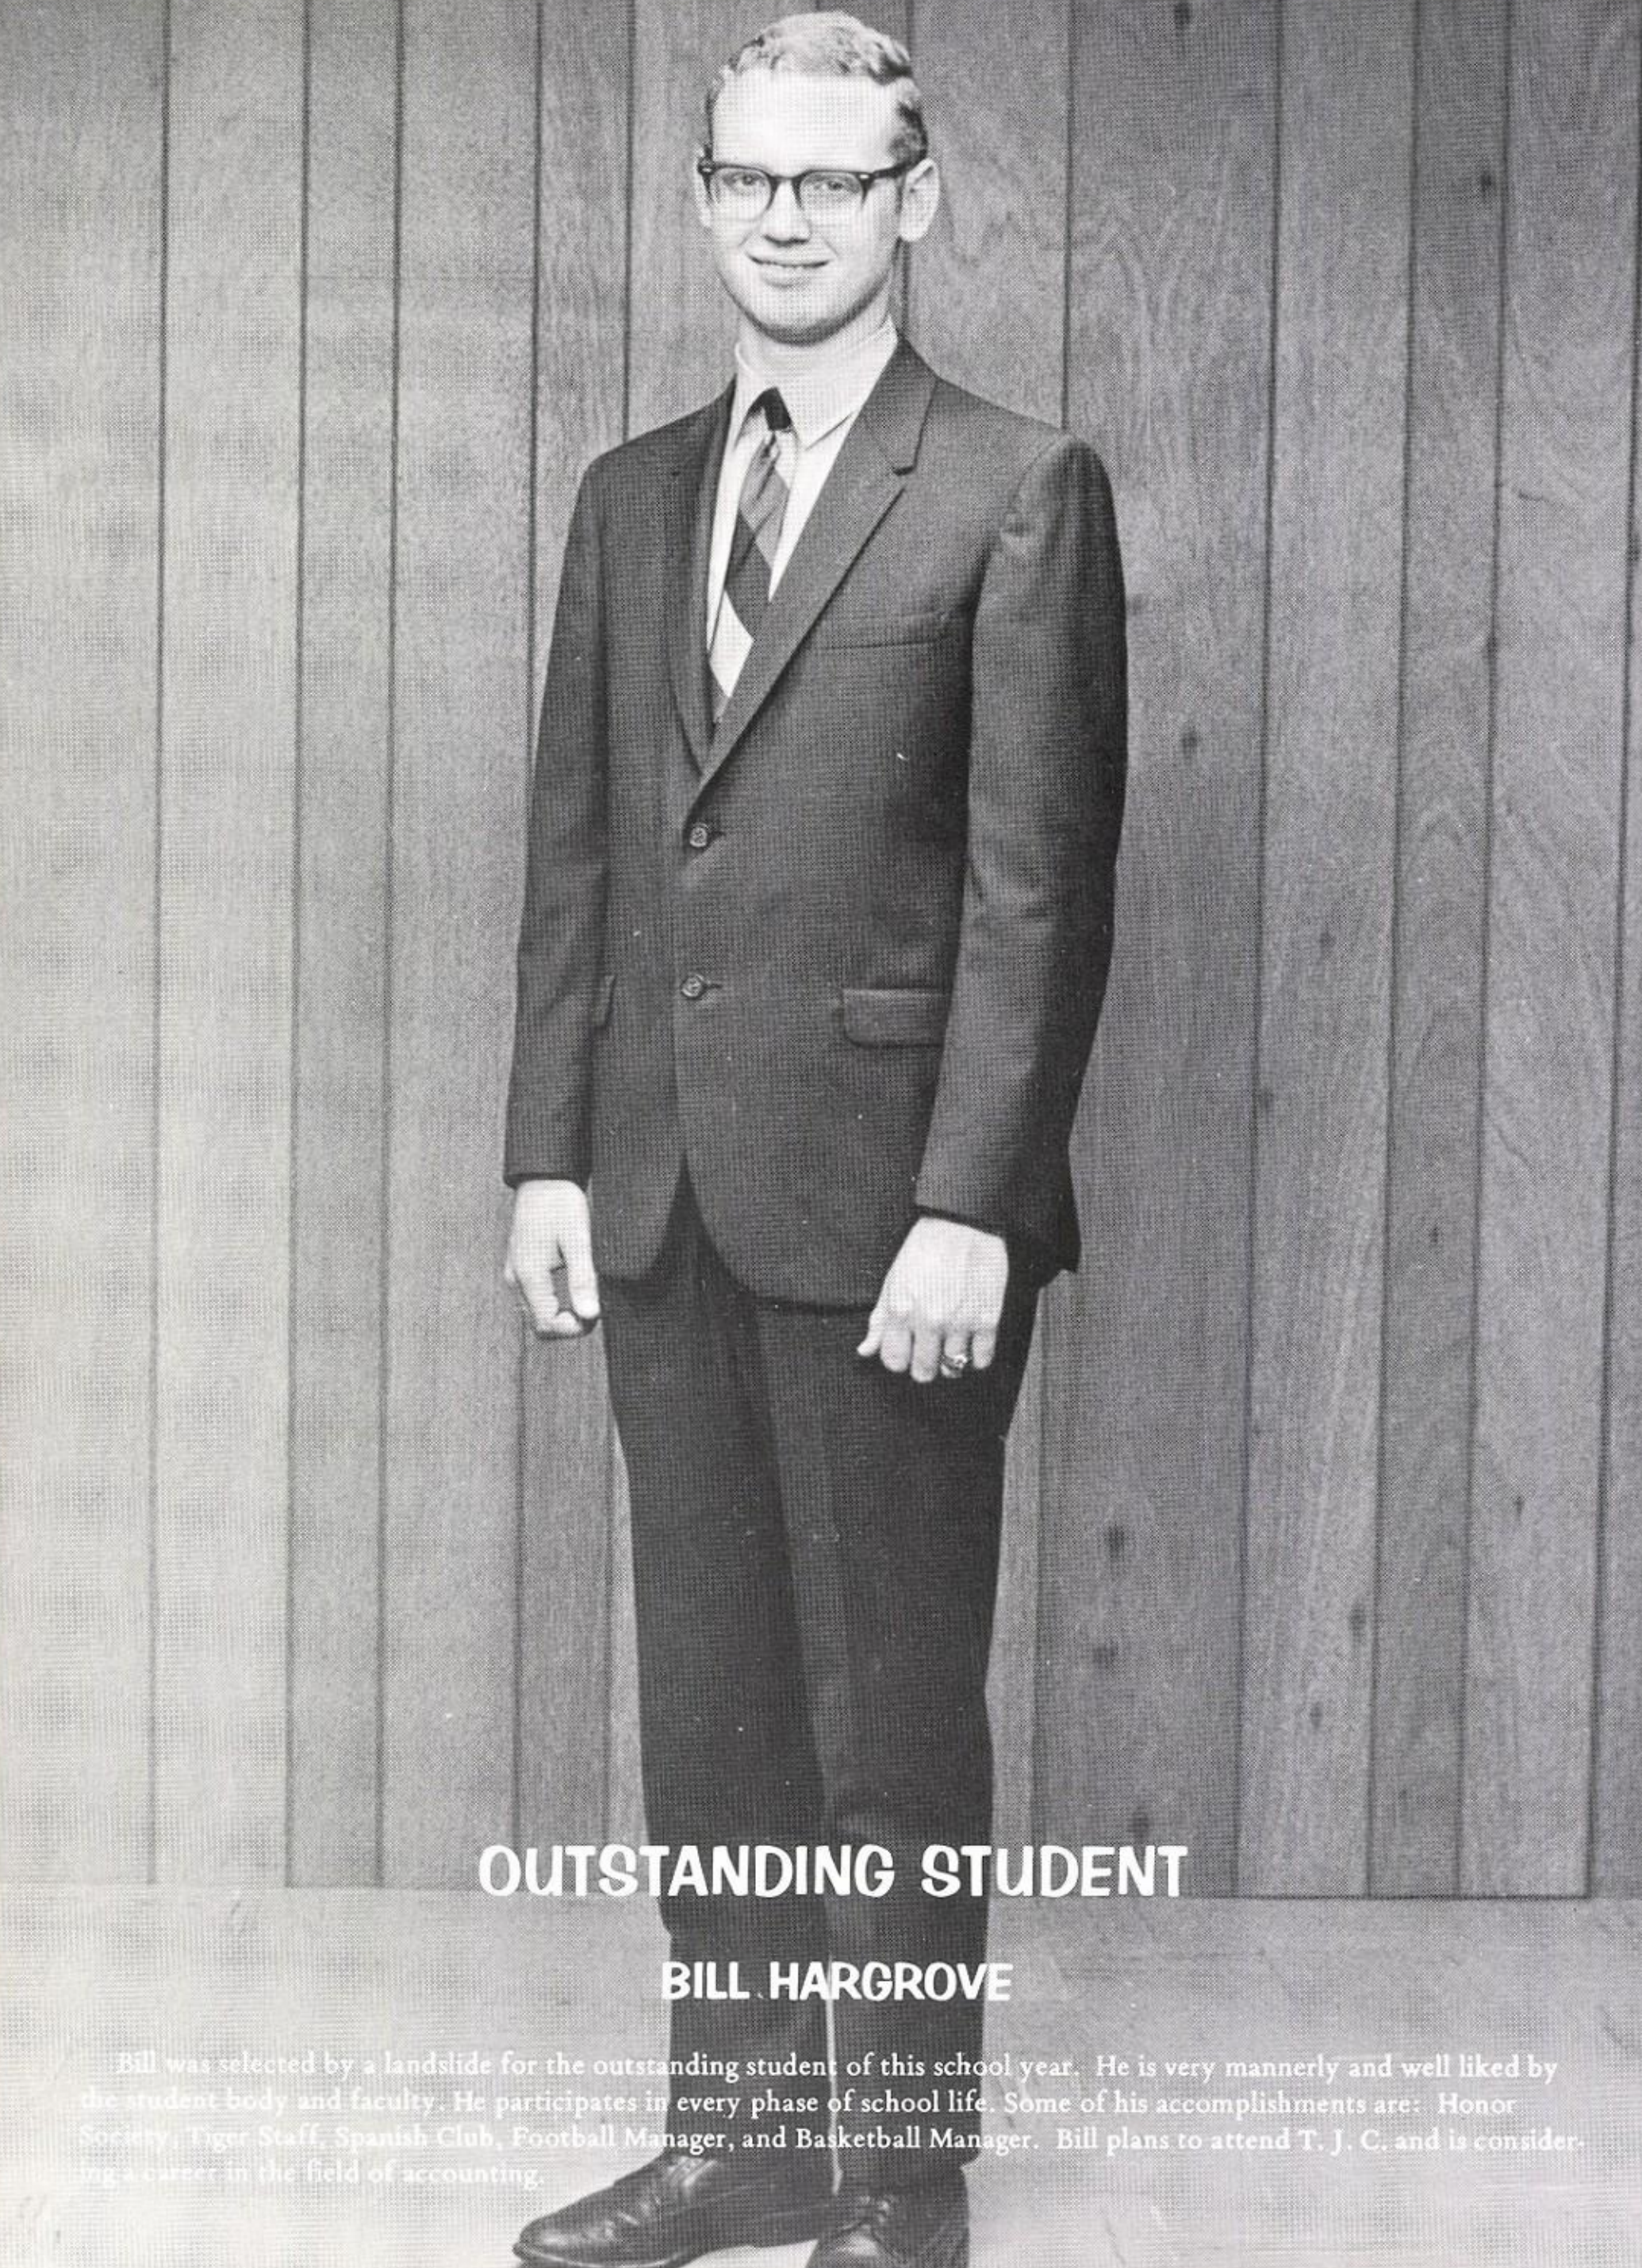

Mr. BHS signifies an all-around boy who best represents Belton High School as an athlete, a friend, a leader, and a class personality. Bobby Wilson the 1969-70 Mr. BHS makes an ideal representative as he is one of the most active athletes. In his sophomore and junior years he participated in every sport, and this year he was co-captain of the football and baseball teams. He has won first places in the broad jump in track as well being sports editor of the TIGER. He has also shown his leadership ability by serving as sophomore and junior class president thus being active in the Student Council those two years. Bobby has always been a favorite with his classmates as for two years he was chosen best all-around and his senior was honored by the whole student body as their Mr. BHS.

MISS B.H.S.

MARSHA ALFORD

Miss BHS is the best. She is personality, wit, scholarship, and service all in a pretty package. Marsha Alford is Miss BHS for 1969-70. Her years at Belton High School have been filled with honors, loyal service, and many activities. Marsha has been very active in the student council serving her sophomore year as a homeroom representative, her junior year as secretary, and this year as president. She was a three-year member of the Latin Club and was elected this year, Calpurnia. Marsha is a three year member of the Marching 100 and was nominated for band sweetheart this year. Her scholarship is shown in her three year membership in the National Honor Society. She was elected Homecoming Queen for 1969-70 and was nominated for football sweetheart this year. Marsha was elected the most dependable girl in her class her junior year and best all-around her senior year. Marsha is truly deserving of the title of Miss BHS.

Valentine Day hit BHS this year with the help of the Student Council. Mr. Tomlinson displays his sweetness by presenting Coach Sullivan with a token of his admiration.

Terry Taggart was almost swamped behind the box she carried. Whoever was lucky enough to receive this box, must have gained a couple of pounds.

And then there were those speedy candy deliverers.

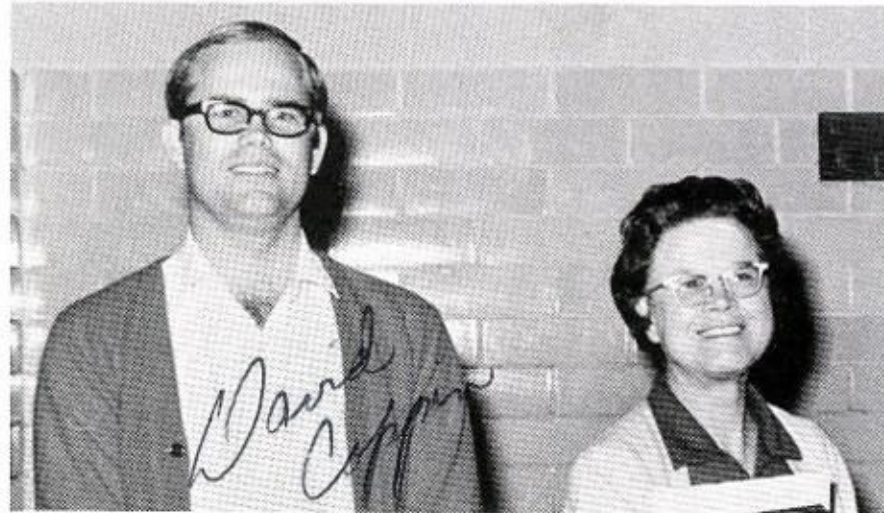

This year's scrapbook, under the organization of Linda Long, won second place in the Student Council Convention at Teague. The Student Council contributed to the spirit for football games by painting signs and decorating the halls each week. They also sponsored noise day during homecoming week. Another popular activity of the Student Council is Slave Day. Did you know that the Student Council also sponsors the paper and candy machines?

Good ol' George, see the eighteen letter word he wrote in red ink on the white poster board??? Well . . . neither did anyone else.

The Spanish Club's Christmas project was to act as Santa Pal to needy families. Members of the club are packing a box full of Christmas goodies for one of the families.

Breaking the pinata, a typical Spanish item of festivity, was celebrated at one of the meetings. Many club members attempted to break the pinata but David Bartek outdid all of the other's attempts. Only he didn't break the pinata, but Mr. Langford was very busy picking up the remains of the stick.

One of the most important factors of the athletic department is the coaching staff. Without the fine training given by our coaches, not one of our athletic groups could function effectively as a team.

SCHOOL SONG

All hail to the Red and White, boys
 The colors we love so well,
 Your loyal sons now salute you
 As the songs on the breezes swell;
 Then here's to the Red and White, boys
 For you we will ever fight,
 For the flag of our dear old high school win
 The colors of Red and White.

1969-70 FOOTBALL SWEETHEART

THE MANAGERS

These are the young men whom we can thank for their many hours of hard work that they have put into the necessary duties for Big Red's athletic achievement.

DAVID BRITT BILL HARGROVE RODGER WELCH SHELLEY HEATON

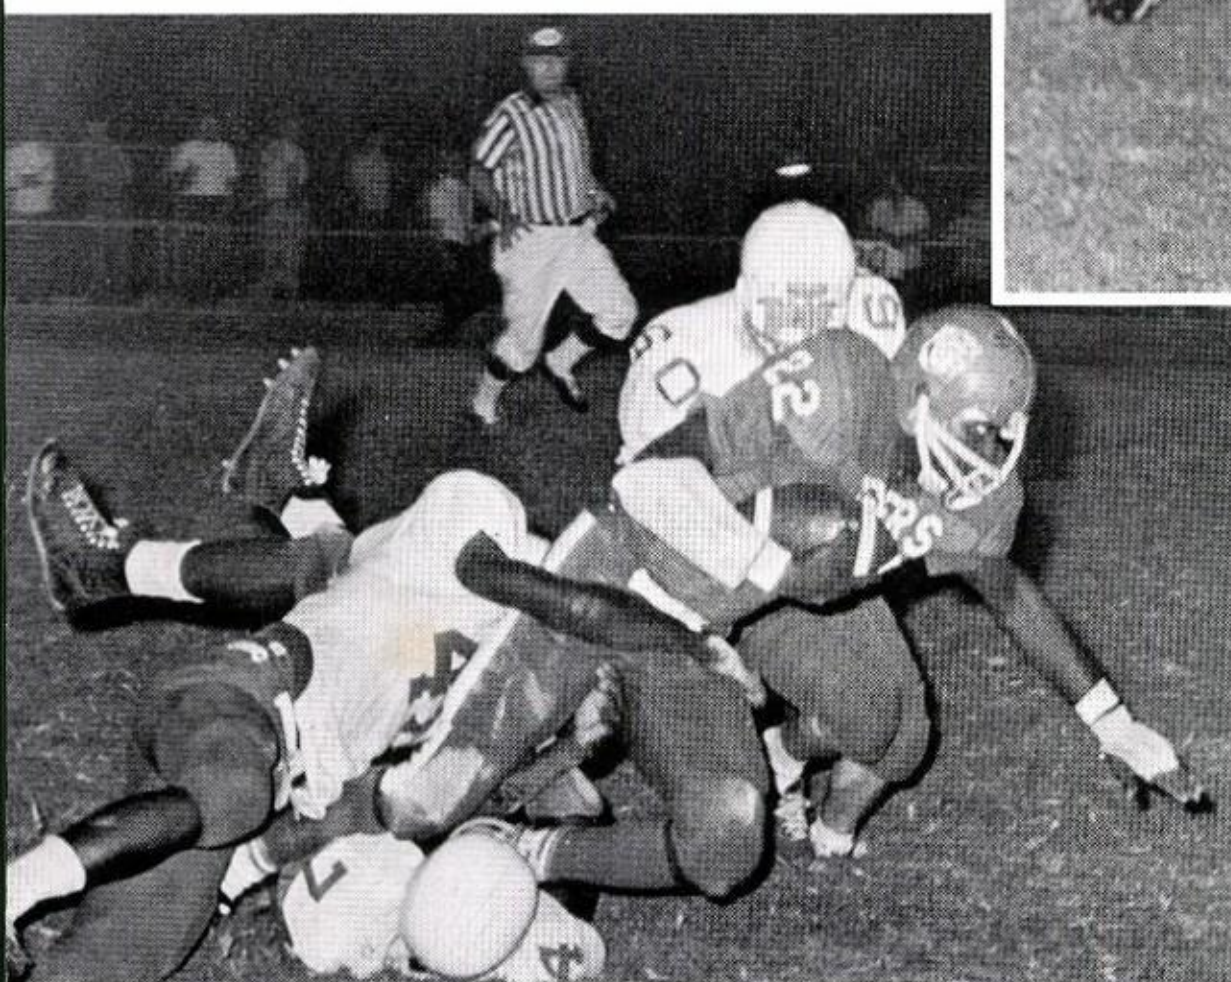

BELTON VS. MEXIA 21-0

The Tiger '69-'70 football season opened with a victory over the Mexia Black Cats with a final score of 21-0.

BELTON VS. KILLEEN 0-27

In the second game of the season Big Red's luck did not hold out as the Tigers met with some hard competition. Though the game was lost, Red fought all the way and did not give up for a moment.

BELTON VS. WACO CONNALLY 50-0

In the Tigers' next game there was a final score of 50-0 as they over-ran the Connally Cadets.

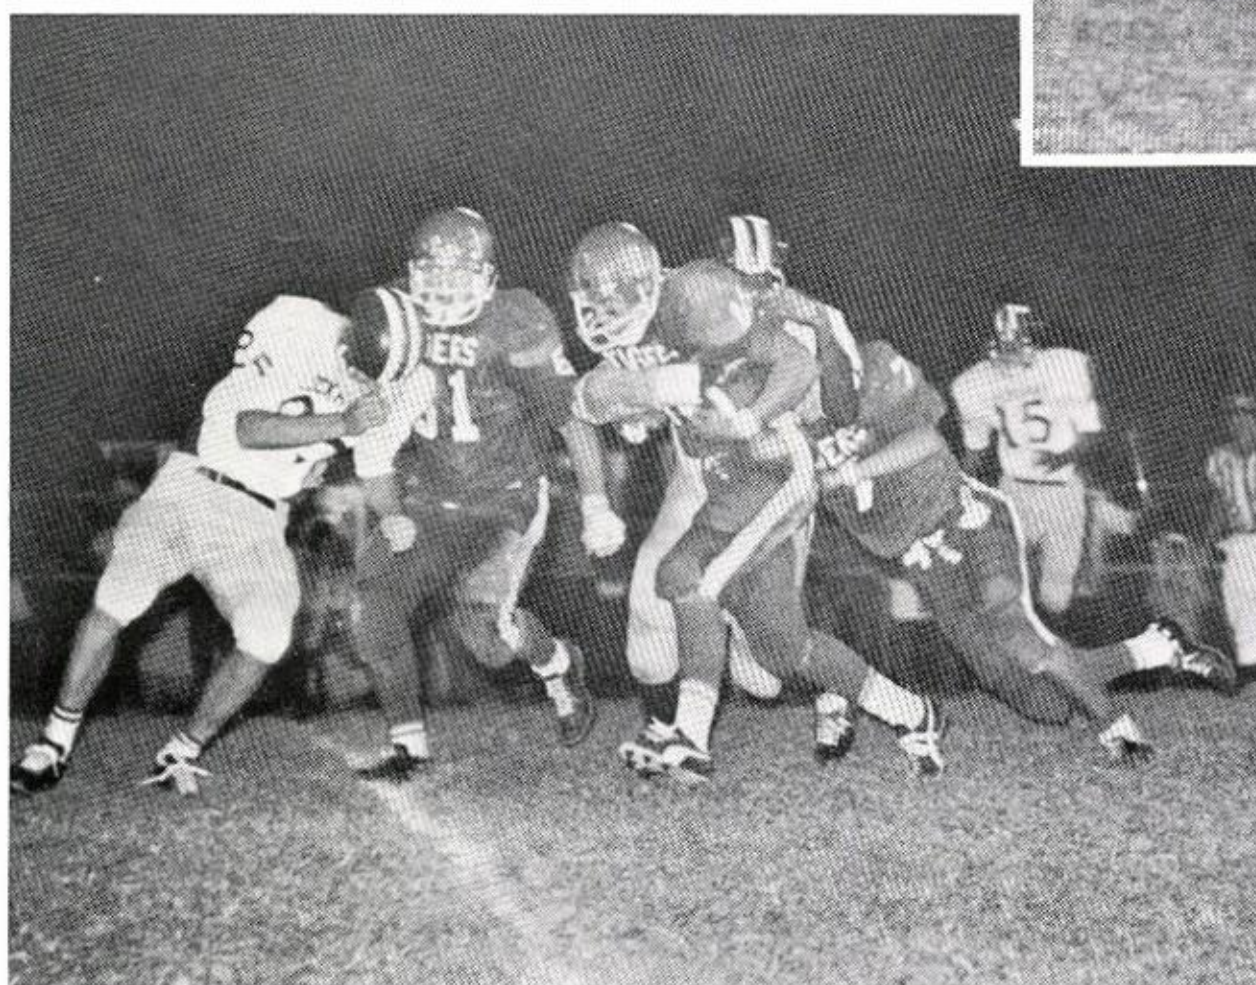

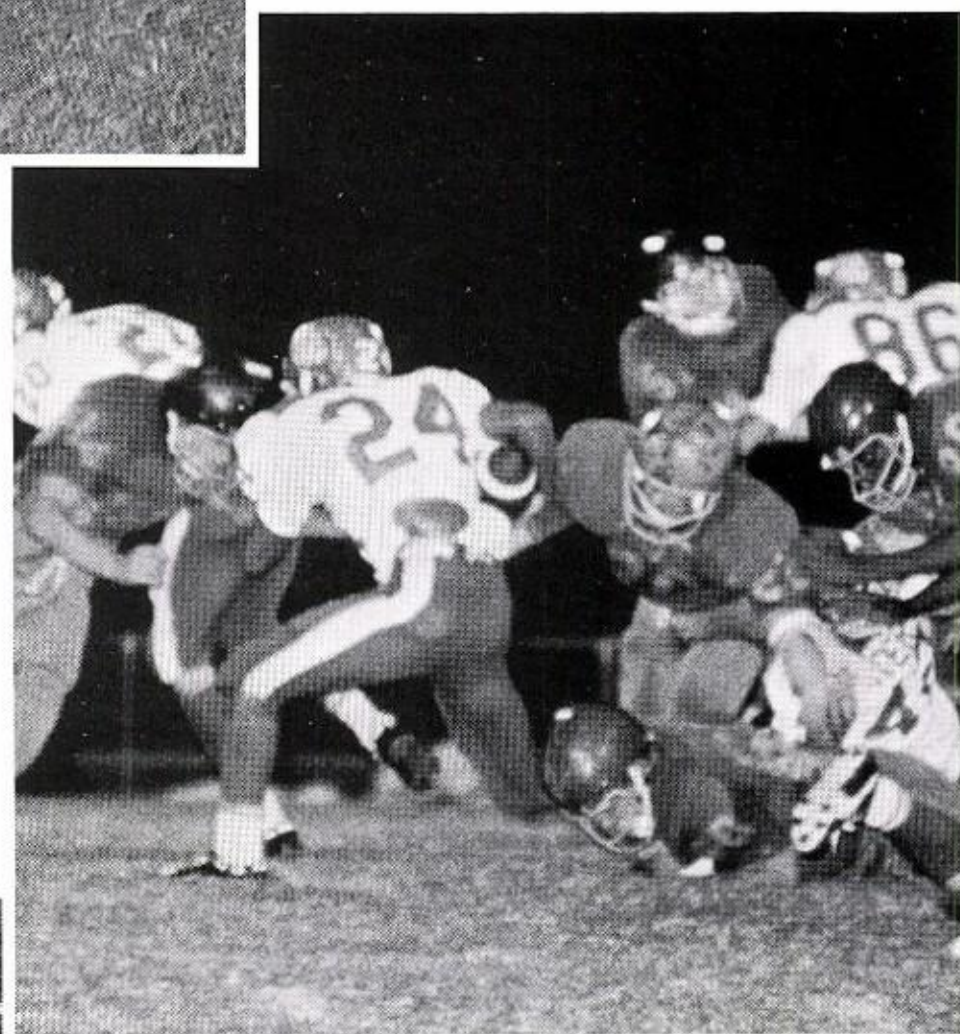

BELTON VS. TAYLOR 43-13

As the Tigers entered into the District game, they found a well-earned victory over the Taylor Ducks who put up a good fight.

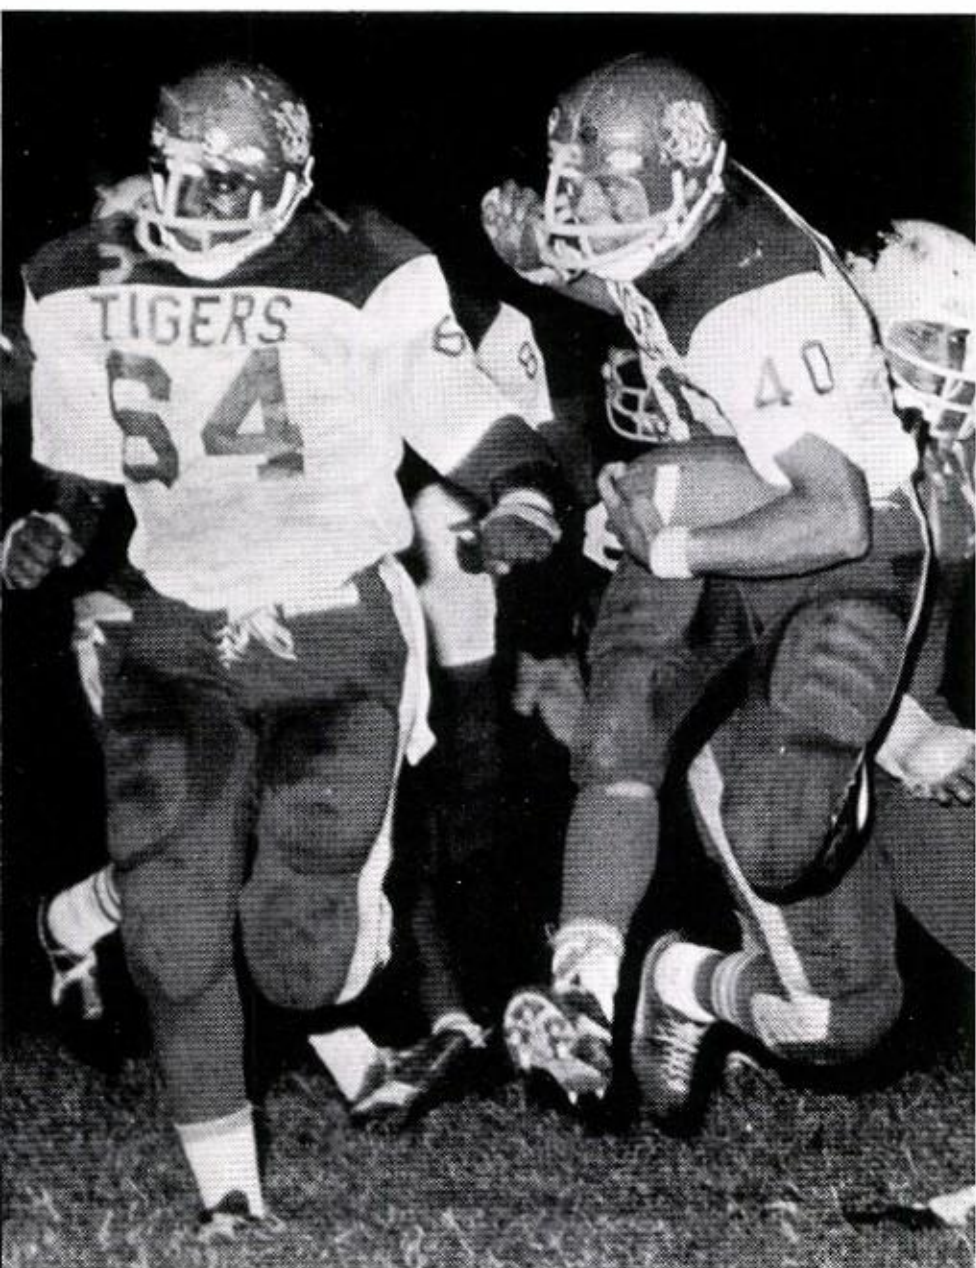

BELTON VS. ROCKDALE 41-0

Belton's luck was still holding as they entered their second District game with Rockdale. A final score of 41-0 showed that The Tigers were really putting forth their efforts to obtain the District championship.

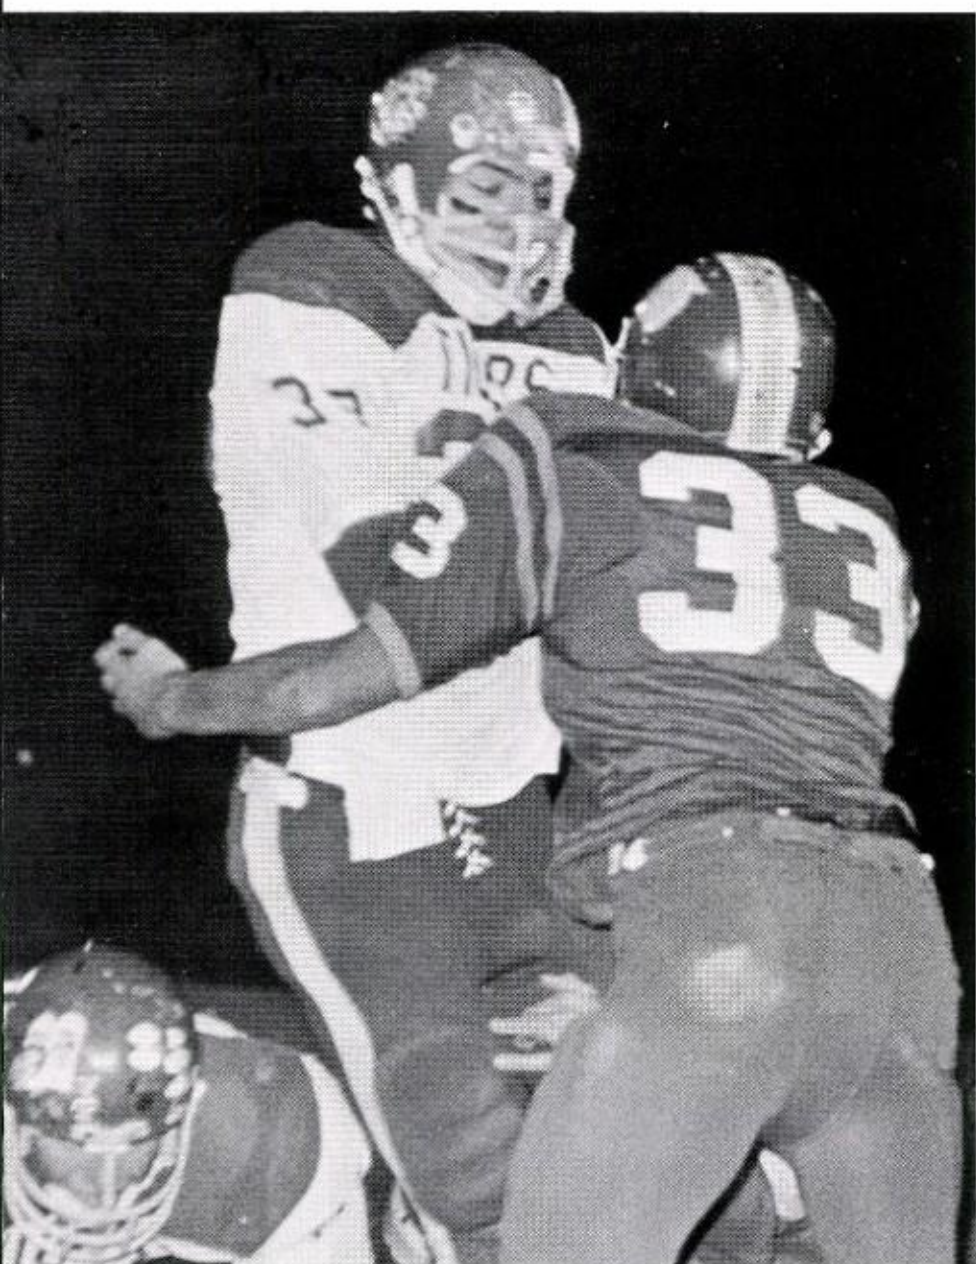

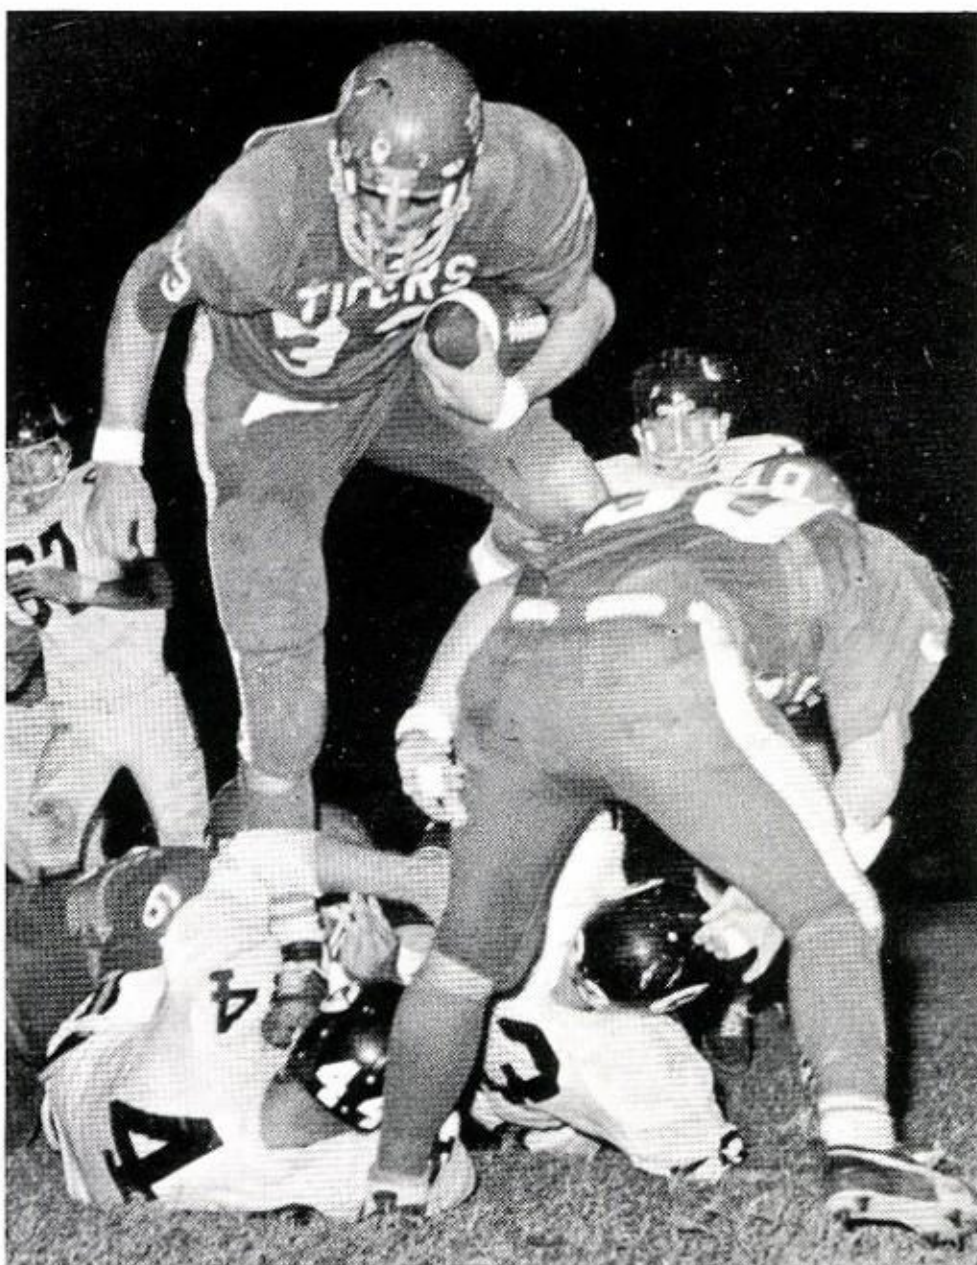

BELTON VS. LOCKHART 22-15

The Tigers had a hard fight when Lockhart came forward in the second half and set forth an extra heavy attack. But Belton was not ready to be overcome! Our attack became harder and we ended the game with a 22-15 win.

BELTON VS. DEL VALLE 49-26

Our Tiger winning streak did not run out when we went into the game with the Cardinals. Just as always, the Tigers' efforts ended with a winning score of 49-26.

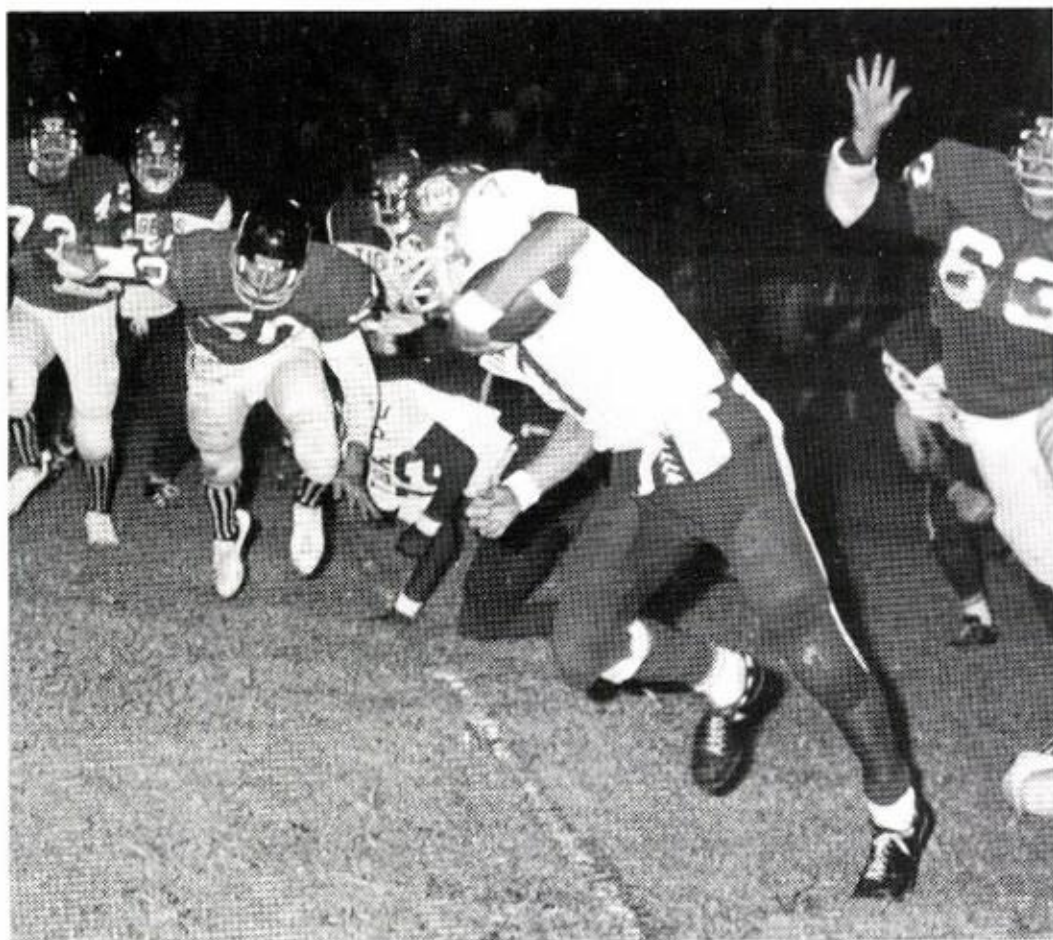

BELTON VS. GATESVILLE 28-7

The next game proved to be one of great expectations as the the spirit was built to a peak with the bonfire and the decorated town. These spirit boosters gave the fighting Tigers what they needed to overrule the Hornets.

BELTON VS. COPPERAS COVE 22-8

With two games left, the Tigers were ready to tear up the Bulldogs for a better chance to the District crown. With this on their minds, they went in and won!

BELTON VS. LAMPASAS

Though the Tigers had been doing so well they still had to be on guard against the Lampasas Badgers as they attempted to overthrow us. The fight was a good one but Red pulled through with a 36-0 win. This was a great help in setting the District crown on the Tigers' heads.

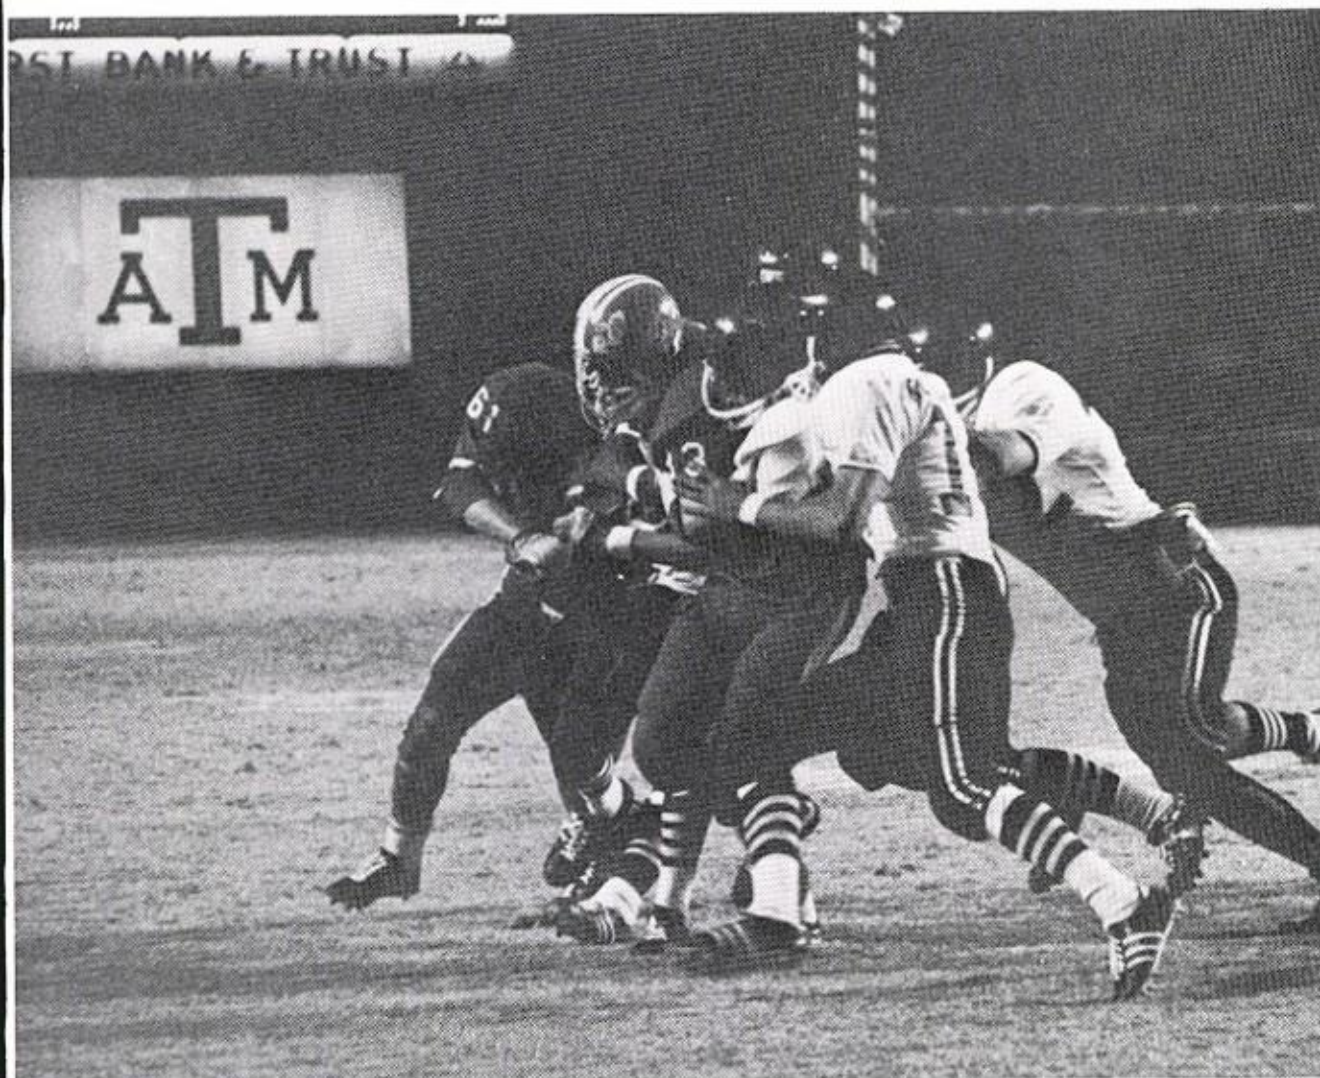

BELTON VS. GREGORY— PORTLAND 10-10

After taking the District crown, the Tigers had to look toward future games with tougher teams and the roughest competition yet. Gregory-Portland came out with a desire to win. As the game neared the end, we found ourselves behind, but with a sudden burst of energy another touchdown gave Wildcats a disappointment. The score was evened-up 10-10, but the Tigers won because of a lead in penetrations.

QUARTER FINALS BELTON VS. KERRVILLE TIVY 28-16

In spite of a steady drizzle which made the ball slippery and the field muddy, the '69 Tigers set a school record by winning region. It was a tremendous team effort which made the come from behind 16-14 at halftime to a 28-16 win over the Kerrville Tivy Antlers possible. One of the standouts was Roy Kneese who made an 18 yard touchdown to put Big Red ahead for good and a thrilling 69 yard scamper. The spirit was never dampened as the fans were jubilant over the victory.

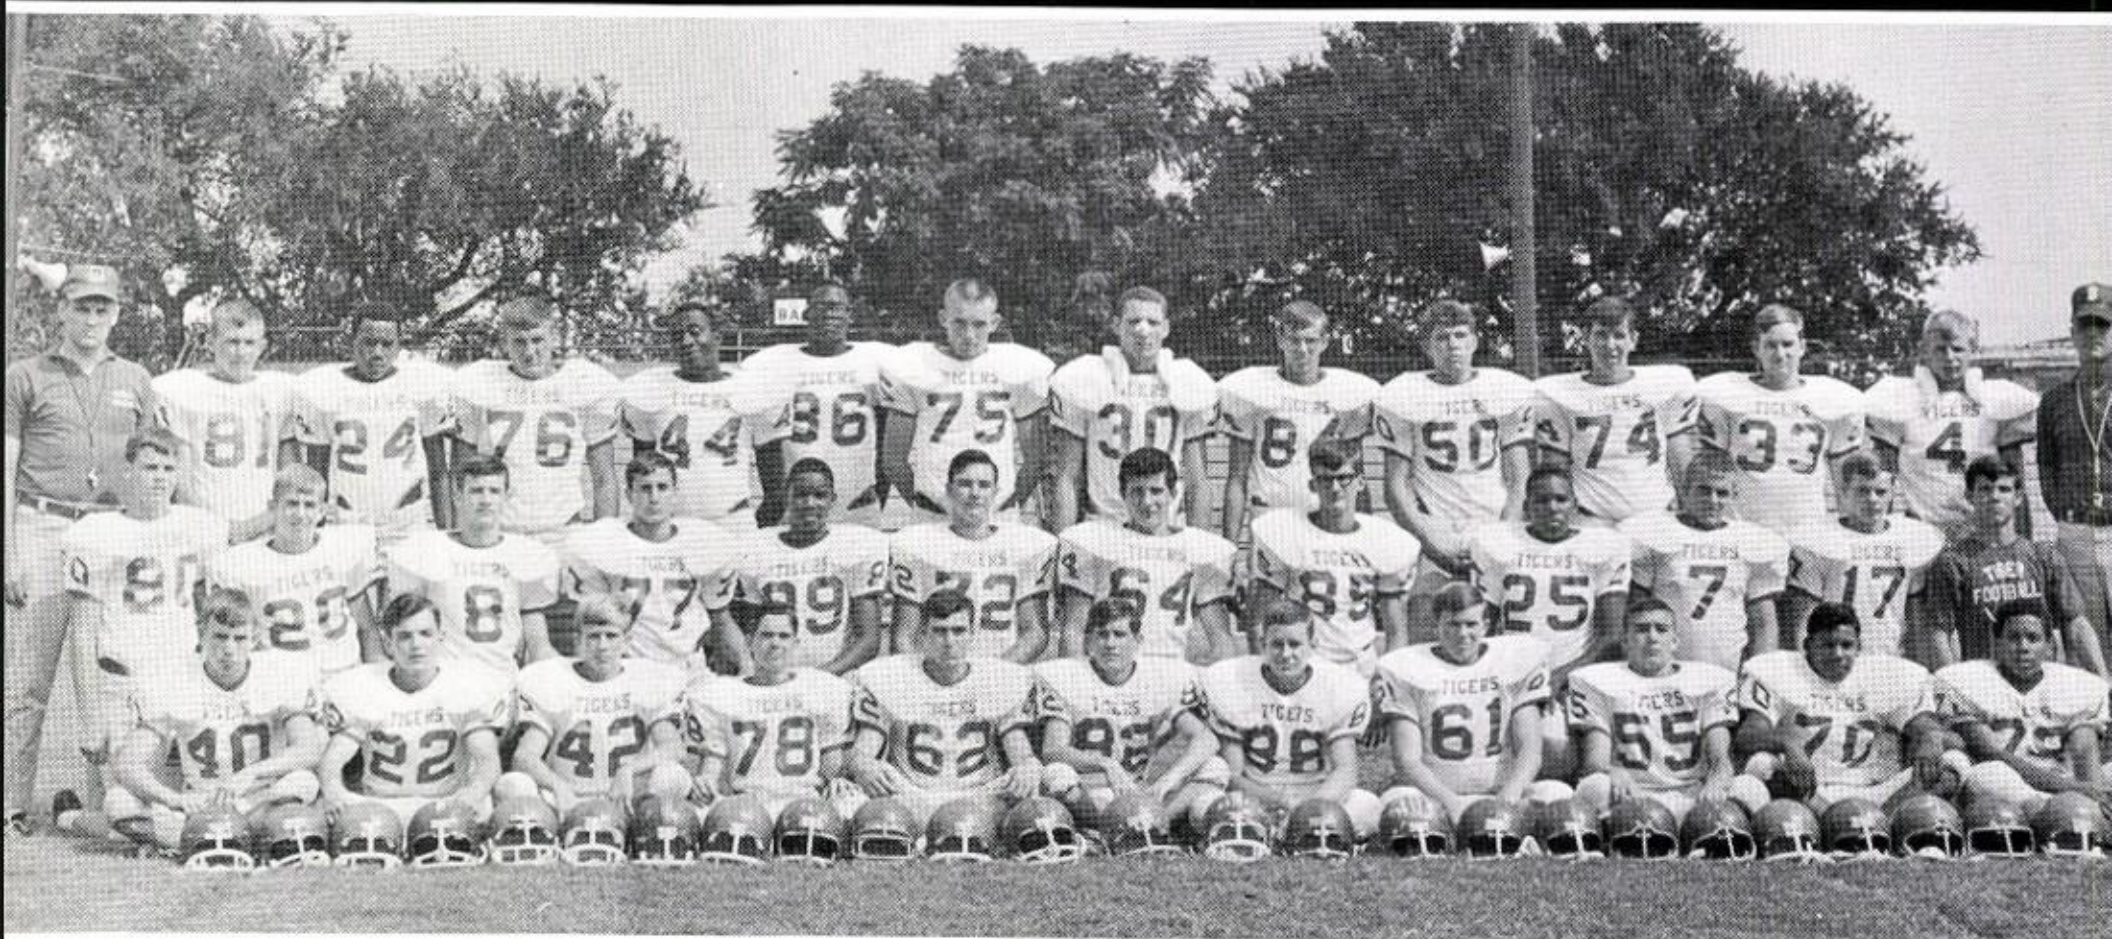

SEMIFINALS BELTON VS. WEST COLUMBIA 6-10

Hot bitter tears rolling down uncontrollably,
The stark silence of an unbelievable loss,
The agonizing steps of exhausted players,
For thirteen seniors it was goodbye to that beloved red and white uniform.

The unexpected had just occurred—BIG RED Had lost by a meager four points. However no one was ashamed, for they led in every statistical column except the score. Although Big Red scored first, the Roughnecks led at halftime: 7-6. Every player played an outstanding game as only three points were scored in the second half. After Marvin Weir's interception and his 23 yard return, everyone still had high hopes for the '69 Tigers but somehow Fate intervened and David Bartek's attempt was four inches short of the necessary first down at the Roughneck's sixteen yard line.

Song: "A Time For Us"

Motto: To strive, to seek, to find, and not to yield.

Being a senior is about the greatest thing you can be. Every senior is just a little bit conceited about the fact that he is a senior. Being a senior means showing off your senior ring to the underclassmen, being a senior member of a varsity team, getting measured for cap and gown, and deciding how you want your name on the diploma. It's being exempt from exams and being a little bit too smug about it, being a senior member of the greatest band anywhere, watching or performing in the senior play and knowing that it is the greatest one ever given. It's parking in the senior parking lot and not having to hike a half mile to your car. It's racking your brain on the SAT or ACT tests, or it can be falling in love and planning a wedding. But most of all it's growing up. It's just about the greatest thing you can be.

REST ASSURED

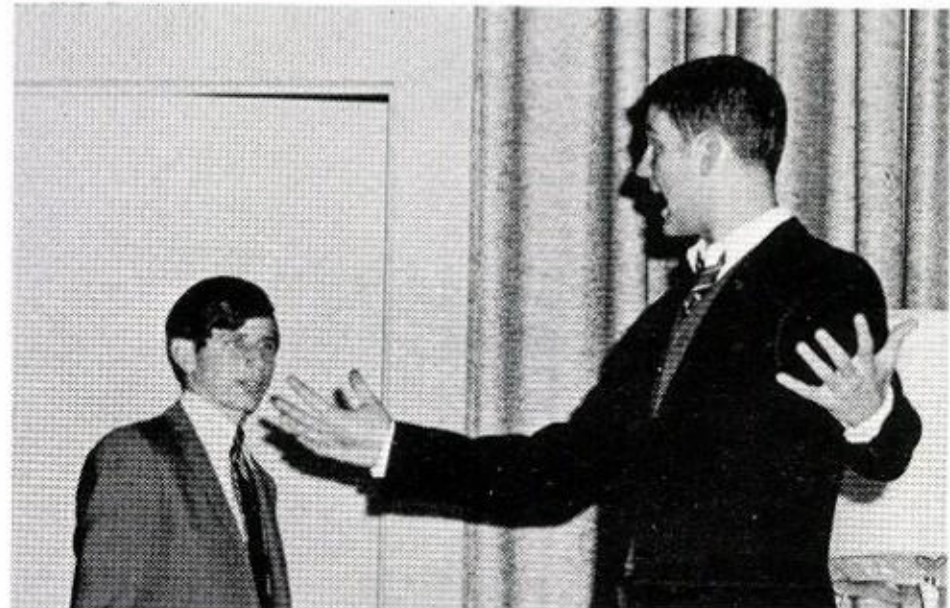

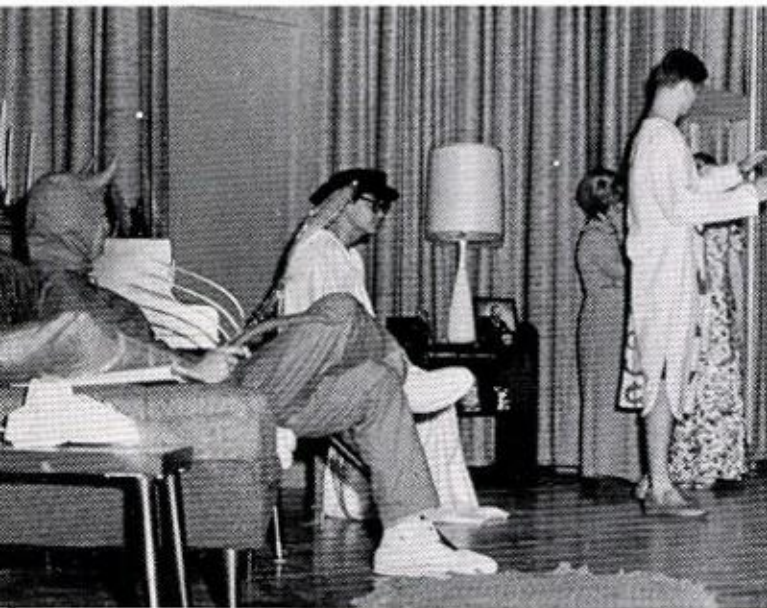

The '70 senior class play, REST ASSURED, delved around Mr. Morlock (David Britt) whose foremost thought was of money until the appearances of Luigi's ghost and of Lucifer who tells him he is dead. Afterwards he realizes it was only a dream but nevertheless he immediately commences to be aware of his family's desires.

Jessica: "I'm going to be a lady wrestler!"

Luigi Lanconi: "But Mr. Morlock, I'm not aleaving until your Mary marries my Joe."

EACH SENIOR DAY FILLED

Days swiftly pass by, but each day was saved for a special moment where work and play filled the minds of every B.H.S. Senior.

Through the year routine goals are basic to the school whether it be better grades, good news publications, competitive sportsmanship, Region Honor Band, or an energetic Senior Class of 70

WITH WORK AND PLAY

HOMECOMING QUEEN MARSHA ALFORD

Marsha Alford, escorted by Louis Wallace, was named the winner for Homecoming Queen after a schoolwide election by secret ballot. In a pre-game ceremony she was presented a bouquet of red roses by Mr. Tomlinson. Being an active participant in many school activities, her honors include: president of the Student Council, secretary of the senior class, and Sweetheart of the Lions Club.

Pam Cowan nominee from the senior class and Susie Wallace nominee from the junior class were the two runners up behind Marsha, the nominee from the Student Council. All three girls are in the band, with Pam being a twirler, and Susie a cheerleader and all three were nominated for Football Sweetheart.

Nominees: LINDA LONG, ROBYN EVANS, MARY CLOUD, CINDY JONES, SHELIA KELTON, BETH CUMMINS, DENISE RHOADS, SHARON DIETZ, BEVERLY MOON, PATTY POTTS, MONICA ALLEN, JUDY HOWE

Homecoming '69, the first ever held in B.H.S. history terminated a long week of numerous activities. It all began with the ordering and receiving of the mums, the unexpected arrival of mail from Gatesville, and the Hornet effigy. The tension mounted in expectation of the Hornet-Big Red duel. The half-time band performance was remarkable. When the lights were put out, the band in the formation of BELTON recognized all '70 Seniors after an outstanding display of fireworks illuminated a WELCOME EXES, and SENIORS '70. It proved to be a successful homecoming for many exes as they witnessed a fine showing from Big Red which later set a new record. After a joyous victory, the homecoming dance was a success as everyone finally relaxed.

Overlooking Beautiful
LAKE BELTON
AT MORGAN'S POINT

**If there's
a better way,
we'll
find it.**

Thomas A. Edison, the research genius of his time, found a "better way" of life for the world when he first put electricity to use. Later, research by the electric industry and companies like Texas Power & Light Company created hundreds of new conveniences for home, industry and farm. And the future seems limitless. TP&L, in cooperation with other

electric utilities, universities and the electric industry, has carried on a number of research programs spanning a wide variety of fields—

from exploring the possibilities of converting heat and chemical energy directly into electricity, to developing a vastly improved design for electric water heaters and taking a part in nuclear study, research and development programs. If there's a better way, we'll find it!

FLASHBACKS

Big Red mastered the challenge of competition in sports as is shown by their being District Tri-Champs in basketball, semi-finalists in football, and successful in track.

The seniors take their final bow on the final page of their last high school annual. The class of '70 will soon be history, but for one brief shining moment, they were seniors.

Join here somewhere!
